CHECK CHARGE LEADS TO MORE INVESTIGATIONS

Borough police today were continuing an investigation into the affairs of A. George Turner, Durham, N. C., placed Thursday in the Adams County Jail in default of 1,500 bail on a charge of passing a worthless check.

Turner, about 37, was arrested Thursday by local police on a warrant issued by Justice of the Peace John H. Basehore on oath of Julius I. Swope, local service station operator.

Police said Turner, a used car dealer, has been in Gettysburg for several days and had sold a used car here. They said employees at Swope's cashed two checks, one for \$5 and one for \$25, for Turner. Swope became suspicious and called him back in Newton, N. C., on which he checks were drawn. The report given Swope by phone was that Turner had no account in the bank. He brought the arrest on the \$25 check as a result.

Since arresting Turner, police have sent teletype messages to a number of cities and learned this morning that a man of Turner's description and name is wanted by the Virginia State Police at Manassas, Va., for passing bad checks in Prince William County, Virginia, on December 11.

A New York dealer's tag on one of Turner's cars was reported to New York police as having been stolen. Local police learned upon checking on the tag.

Other teletypes have been sent to a number of places, including Washington, D. C., as police continue the investigation.

LIST SPOTTERS FOR WEEKEND

With more volunteers needed to fill the complete schedule, the list of spotters for the Gettysburg station for the weekend was announced today. Anyone who wishes to volunteer for any of the unassigned shifts should call Mrs. Philip Neth at 787-X.

Swartz Hoke; 5 p.m. to 8 p.m., Miss Lindora Roddy and Miss Ellen Shields; 8 p.m. to 12 midnight, Mr. and Mrs. Melvin Little.

Expect 70 To Attend Vet Firemen's Event

Approximately 70 are expected for the annual Veteran Firemen's dinner to be held at the Eagles lodge Tuesday evening at 6:30 o'clock. The late James E. Aumen was president of the organization and C. Ray Rupp, only surviving charter member of the Gettysburg Fire Department, is vice president.

Scheduled for Tuesday evening's dinner is an election of officers for the coming year and reception of new members into the veterans firemen's group. Members of the organization are those who have served the required number of years on active duty in the fire department.

Savings Bond Sales Up In This County

An increase, by \$8,000, in the amount of series E and H U. S. Savings Bonds sold in Adams County was noted during December, according to a report made by the U. S. Treasury Department to Edmund W. Thomas, chairman for the bond sales in the county and president of the First National Bank of Gettysburg.

Last month sales of the bonds totaled \$42,887 as compared to \$34,748 in the same month in 1952. Sales of bonds in Pennsylvania during December were nearly \$2,000,000 higher than for the comparable month in the prior year. In December, 1953, a total of \$37,297,463 in bonds were sold in the state. For the same month in the previous year the total was \$35,506,481.

Hospital Auxiliary Tea, Meeting Monday

The Warner Hospital Auxiliary will hold its annual tea in the American Legion ball room, Baltimore St., Monday afternoon at 2:30 o'clock.

Dr. Jacob W. Heikkinen, member of the faculty of the Gettysburg Lutheran Theological Seminary, will discuss his trip to Europe last summer. Music will be furnished by the Gettysburg High School chorus.

A business meeting will be conducted before the election of officers. The Hospital Bridge Club will serve as a hostess committee with Mrs. Roy W. Gifford and Mrs. Ross Shuman as chairman and co-chairman. Refreshments will be donated by the executive committee.

NCCW COUNCIL REVIEWS BOOKS ON THURSDAY

A literary program was presented by the St. Francis Xavier Parish Council of the NCCW at a meeting Thursday evening in the school cafeteria. Mrs. Edwin J. Killalea, president, reviewed the book, "The Waters of Siloe," by Thomas Merton, explaining the life of the Trappist monks. She also introduced a new book based on the Bible, edited by Berron, "With the Bible Through the Years," which has been added recently to the Adams County Library.

Mrs. Richard C. Eberhart reviewed the book, "To See Peter," by Richard Baumann, the story of a pilgrimage to Rome. Rev. Fr. Anthony P. Kane made supplementary remarks in connection with the theme of the program, "The Promotion of Good Literature." Miss Mary Louise Callahan, chairman, introduced the speakers.

Mrs. George A. Miller announced the names of those who served as air spotters since November.

**Day of Recollection**

A donation of \$5 was made to the March of Dimes. Mrs. Charles W. Culp Jr. and Miss Anna McSherry were re-appointed representatives to the Adams County Home Auxiliary. Mrs. Eberhart read the report on Catholic Charities in the absence of Miss McSherry who is ill.

The annual Day of Recollection will be held Sunday, February 14, at the church. Reservations may be made with Mrs. George F. Eberhart, or by phoning Gettysburg 387. The donation for the retreat will be \$275. One dollar will hold a reservation.

Mrs. Herman Frasch announced that a new merchandise club will begin January 30 to terminate during the Easter season.

Mrs. Killalea presided. Mrs. Eberhart read the secretary's report and Miss Callahan submitted the treasurer's report in the absence of Miss Jane Stallsmith.

Mrs. George Groff was appointed chairman of a corn party which will be held in the school cafeteria February 19, at 8 o'clock.

Mrs. George Groff, hostess, presided at a social hour.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Leroy Angell, Gettysburg R. 1, announce the birth of a son today at the Warner Hospital.

A son was born at the hospital Thursday to Mr. and Mrs. Robert Martin, Gettysburg R. 2.

Born, a son, to Mr. and Mrs. Earl Rexroth, Benderville, at the hospital Thursday.

A son was born Wednesday at the Hanover Hospital to Mr. and Mrs. Harry Flickinger, McSherrystown.

Twin sons were born Wednesday at the Carlisle Hospital to Mr. and Mrs. Orie Fair, Gardners R. 2.

Pro-Red Prisoners, Including 21 Americans, Are Abandoned; Stay Until Their Food Runs Out

By BILL SHINN

PANMUNJOM, Saturday (AP)—The Korean war prisoners who stirred world wide controversy by their refusal to go home were turned loose today.

Twenty-one Americans, 1 Briton and 327 South Koreans who were abandoned by Indian guards in a filthy neutral zone compound at 12:01 a.m. (10:01 a.m. Friday, EST).

The pro-Red POWs said they would stay until their food runs out, echoing the demand of the Communist Command that Indian troops stay on.

The U.N. Command liberated as civilians the nearly 22,000 anti-Red captives returned to it Wednesday by the Indian Command—a course the Allies assert was required by the armistice.

**Red Camp Is Quiet**

When official freedom came, more than 14,000 Chinese anti-Red POWs already were aboard American ships en route to Chinese Nationalist Formosa. More than

MISS HARTMAN CANDIDATE FOR "APPLE QUEEN"

Miss Joan Hartman, 17-year-old Biglerville High School senior, will represent the Adams County Fruit Growers' Association in a contest

MISS HARTMAN

to select and crown the "Pennsylvania Apple Queen" during a three-day meeting of the State Horticultural Society in York.

The convention, expected to draw delegates from throughout the state, will be held January 25, 26 and 27 in the Yorktowne Hotel.

Nearly 100 Adams County fruit growers will attend the meeting, according to Nelson Weber, president of the Adams association.

**To Be Chosen Tuesday**

The selection of an "Apple Queen" Tuesday, January 26, will highlight the three-day program. To be eligible contestants must be between the ages of 17 and 21 and the daughter of a fruit grower. Applicants for the nomination will be judged in street and evening clothes.

Judges will stress personality and neatness and will, in addition, require answers to questions relating to the problems of fruit growers.

Miss Hartman, a Biglerville High School cheerleader, is the daughter of Blaine Hartman, Biglerville R. 1, owner of a 145-acre fruit farm. She was selected by Mrs. Weber following a series of interviews in the Biglerville area.

3-Year-Old Boy Has Meningitis

Donald Irvin, three-year-old son of Mrs. Lottie Irvin, N. Main St., Biglerville, is reported much improved today at the Warner Hospital where he was admitted early Thursday morning with an illness diagnosed as meningitis.

The youngster became ill Wednesday and when his condition became worse during the night Dr. North Sterrett, Arendtsville, ordered his removal to the hospital. No sign of paralysis has developed, he said.

There are two other brothers and three sisters in the Irvin family.

Dimes On Windows Will Be Matched

For ten cents you can donate twenty cents to the March of Dimes. On Saturday George M. Zerling's hardware store windows will be open to all donors to the March of Dimes... ten-cent donors, that is.

For every dime pasted on the store's windows on Saturday it will be matched with another dime from the proprietor of the store.

Paste and brushes will be available. If anyone wishes to donate a dime to the March all he need do is paste it on the window and it will be the equivalent of a 20-cent donation.

Here And There News Collected At Random

One of the important items of business to come before the February meeting of the Borough Council will be the remodeling of the Fire Engine house to accommodate all of the equipment.

For some time the fire company has been forced to park its utility truck in East Middle St., because there isn't enough room in the present engine house to accommodate it. Hence it stands out-of-doors, subject to the elements and a hazard to traffic regulations.

The fire company asks the Council to remodel the rear of the engine house so that all equipment can be kept under roof. The cost has been estimated at about \$5,000. The improvement will allow for safer and easier movement of equipment and necessary storage space for fire hose and other equipment.

... .

This is a small, but a definitely much needed, item of expense the firemen are asking. During the past two years the fire company has spent approximately \$27,000 for needed equipment to fight fires in Gettysburg and adjoining areas. This means protection, lower insurance rates, and a mighty efficient department.

During the same period Council spent approximately \$3,000 for fire fighting equipment.

It is hoped that the budget committee will provide for this small expenditure when it submits its budget at the February meeting. Firemen are hopeful, also, that the item will be approved.

NEXT THURSDAY IS DAIRY DAY

Plans for an Adams County Dairy Day were announced today by County Agent Frank S. Zettie.

The all-day session will be held at St. James Lutheran Church, York St., next Thursday, starting at 10:30 a.m., the county agent said.

He added that the "cost-price squeeze" being experienced by dairymen at the present time "emphasizes the need for more efficient production and the Dairy Day is designed to give details on better production methods."

Joseph Taylor, extension dairy specialist will speak on "What Is New in Dairying?" at the opening of the meeting next Thursday morning. His talk will be followed by a discussion on silo construction led by Charles Burress, extension agricultural engineer. Taylor will conclude the morning meeting with a talk on "Making Good Grass Silage."

In the afternoon County Agent Zettie will speak at 1:15 o'clock on "Soil Testing—Key to Efficient Crop Production." Bureau will talk again, during the afternoon on "Should I Invest in a Hay Finisher?" and "Dairy Stable Ventilation." Taylor will speak on "The Facts on Bangs Disease."

Given Service Award

Burgess William G. Weaver (right) presents a "Distinguished Service" plaque to Attorney Eugene R. Hartman for "outstanding community service during 1953" at a banquet sponsored by the Gettysburg Junior Chamber of Commerce in the Legion Home, Thursday night. The award presentation climaxed local observance of "National Jaycee Week."

Eugene R. Hartman Is Given Jaycee Award For "Significant Contributions To Community"

Attorney Eugene R. Hartman, Thursday night was the recipient of a plaque citing the 32-year-old Gettysburg resident for "significant contributions to the community during 1953" in a ceremony at the Legion Home which officially concluded local observance of "National Jaycee Week."

The award, presented to Hartman through the auspices of the Gettysburg Junior Chamber of Commerce, was given by Burgess William G. Weaver, one of three members of the selection committee. President Judge W. C. Sheely and Rev. Dr. Ralph R. Gresh completed the board.

Hartman's acceptance of the "distinguished service" plaque was made before more than 50 Adams Countyans including his wife, mother, and father.

"They Made Me Look Good"

Expressing appreciation for the accolades extended by previous speakers, including the Rev. Francis Reinberger, Gettysburg Lutheran Theological Seminary; Donald Trone, local Jaycee president; Burgess Weaver and Grover Goucker, toastmaster, Hartman urged that the Junior Chamber take on an additional project—that of sponsoring another Gettysburg Boy Scout troop.

A guiding spirit behind many community works, Hartman hailed the cooperation of fellow committeemen and declared: "They made me look good." He spoke of his youth: "I was lucky, I had a good start. My mother and father also made me look good." He praised his wife for her "thoughtfulness and patient understanding."

Prof. Reinberger, professor of practical theology, represented Dr. Wilbur E. Tilberg, dean of Gettysburg College, who was unable to present the evening's principal address because of the confinement to his home with laryngitis.

"America faces a great challenge, but an even greater future," Prof. Reinberger said as he correlated community service, neighborliness and the movements of an individual's hand in every-day living. He enumerated the handshake as a sign of friendliness; the clenched fist as a representation of indignant concern; the salute, and the folded hands of prayer. "Somehow life has been made

HONOR FORMER COUNTY YOUTH

Corporal Louis P. Kookan, formerly of R. 4, has been named Battalion Soldier of the week at the Medical Replacement Training Center at Camp Pickett, Va.

Corporal Kookan was selected from 1000 men on the basis of his "personal appearance, soldierly conduct, and medical and military knowledge" acquired the previous week.

At the MRTC, the Army's only basic training center for medical soldiers, he is learning the fundamentals of medical support of field troops and care of hospital patients.

The 22-year-old soldier entered the Army in December, 1953. He was graduated from Biglerville High School, and attended the University of Maryland at College Park. Prior to entering the Army he was employed as a junior draftsman by his father at the L. P. Kookan Company.

**PROGRAM ON AIR**

Radio station WGET will air by tape recording tonight at 8 o'clock parts of the ceremony at which Attorney Eugene R. Hartman was presented with a "distinguished service" award by the Junior Chamber of Commerce, Thursday night, at the Legion Home.

TOPPER HEADS ACMFC AGAIN

P. I. Topper, McSherrystown, was re-elected president of the Adams County Mutual Fire Insurance Co., at the annual reorganization meeting Thursday afternoon in office of Attorney Donald P. McPherson, Baltimore St.

Other officers, all re-elected, include: C. J. Toot, vice president; Walter A. Keeney, treasurer, and Attorney McPherson, secretary. Reports presented at the meeting indicated that the 103-year-old organization had a "successful year" during 1953. The company was organized in March, 1851.

Reorganization of the board followed selection of the managers at a meeting of policy-holders held January 11. The managers named at that meeting included: Mr. Topper, Mrs. R. A. L. Raffensperger, Arendtsville; Mr. Toot, Harold Reuning, J. Monroe Danner, East Berlin; Theron W. Spangler, Littlestown; William N. Scott, Gettysburg R. D.; Robert Brothers, New Oxford; Ivan C. Taylor, York Springs; P. Emory Weaver, Littlestown, and Attorney McPherson.

**AUTO HITS FIRE PLUG**

Eugene H. Guise, 48 Breckenridge St., reported to borough police Thursday that a truck owned by J. D. Leonard, York, and driven by Mr. Guise had struck a fire plug at the corner of Fourth and Railroad Sts. The Municipal Authority was notified by police to repair the leak caused in the plug by the crash.

Adult Courses At College Open Tonight

The Adult Evening courses at Gettysburg College will begin this evening at 8 o'clock with registration to take place from 7 to 8 p.m.

Non-credit courses are being offered in accounting, creative writing, insect pests, music appreciation, oil painting and public speaking for beginners and intermediates.

Sessions will be held for two hours one evening a week for six weeks.

B. AND P. WOMEN WILL ELECT ON FEBRUARY 4TH

"Everybody's Birthday Super" was the theme of the supper-meeting held by the Business and Professional Women's Club of Gettysburg Thursday evening at the YWCA at which 26 members were in attendance.

Miss Virginia Wright read individual horoscopes and Mrs. Edwin Benner asked the blessing. Potted pink flowers and blue, green and yellow candles decorated the table. A large pink and white birthday cake formed the centerpiece. Mrs. Guyon E. Buehler led the women in group singing.

Mrs. Leo Smith and Miss Mildred Coshun were initiated as new members and Mrs. Fred Swisher was re-initiated as a member during the business session which followed the supper. The ceremony was conducted by Miss Martha Stallsmith, president, and Miss June Sanders.

**Make Nominations**

Mrs. Philip Hughes, chairman of the nominating committee, presented the following slate of officers: President, Edith Bushman; vice president, June Sanders; secretary, Nancy Sanders; treasurer, Luella Leatherman. The election will be held February 4. Miss Stallsmith, who presided, announced that the Eastern Regional Conference will be conducted April 30 through May 2 in Buffalo.

Miss Stallsmith announced that the YWCA Middle Atlantic Employed Girls' Conference will be held at the York "Y" March 6 and 7. Reservations should be made by February 26.

Mrs. John Tate, who was in charge of devotions, used "The Living Message," from the Bible as her theme. The birthday supper committee included: Mrs. Floyd King, Mrs. Charles I. Guigan, Mrs. Bernard Murray, Mrs. William Swisher, Mrs. William Wright and Mrs. Frank Murray.

A cabinet and committee meeting will be held at the YWCA Thursday evening, January 28, at 7 o'clock.

To Offer Course For Expectant Mothers

Another class for expectant mothers will be conducted at the Warner Hospital, beginning next month and continuing for seven one-hour sessions. February 10 is the tentative beginning date for the course.

The pre-natal instruction, which is intended to supplement but not replace information supplied by the family doctor, is sponsored by the Warner Hospital Auxiliary and has the approval of the Adams County Medical Society. No charge is made for the course. Most of the instruction is by state nurses.

Interested persons may enroll by calling the clinic room at the Warner Hospital.

**BURY MRS. GOULDEN**

Funeral services were held this morning at 9 o'clock in St. Joseph's Catholic Church, Emmitsburg, for Mrs. Ida Mae Golden who died at Mercy Hospital, Baltimore, Tuesday evening after a long illness. She was a resident of Emmitsburg. Rev. Fr. John Sullivan, C.M., pastor, officiated, and interment was in the church cemetery. Bernard Boyle, Paul Keepers, Louis and Ernest Rosensteel, Fred Wolfe and Robert Burdner were pallbearers.

T. C. MEETS MONDAY

The Gettysburg Travel Council of the Gettysburg Chamber of Commerce will meet Monday evening at 8 o'clock in the court room at the court house.

**SOIL DISTRICT MEETS**

The annual meeting of the Adams County Soil Conservation District will be held this evening at the Court House. Speakers will give details on the geology and soil formations in the county.

SAYS U. S. HOLDS LEAD IN ATOMIC DEVELOPMENTS FOR PEACE, WAR

The \$13,000,000,000 spent for atomic development has given the United States the lead in all phases of atomic energy—both weapons and peaceful pursuits, Congressman James E. Van Zandt, of the joint atomic energy committee of congress, told 161 present Thursday night for the sixth annual stockholders' dinner of the National Bank of Arendtsville.

Development of the atomic bomb over the years has tremendously increased its power, "and it will continue to increase in power," the congressman said. The first atomic bomb ever exploded — in 1945 — had a power equal to 10,000 tons of TNT. The one that took 60,000 lives at Hiroshima had power equal to 20,000 tons of TNT. The bombs America has stockpiled today each are equal to 100,000 tons of TNT in destructive power. The hydrogen bomb exploded last year in the Pacific was equal to 3,000,000 tons of TNT in destructive power. On March 22 the U. S. will explode a bomb that will be equal in power to 8,000,000 tons of TNT, Van Zandt said.

**Describes New Weapons**

"And we are still going. The destructiveness of the bomb depends on the amount of squeeze you put on the uranium. The more you squeeze it the more powerful the explosion. We use TNT to provide the squeeze today, now we are experimenting with the use of hydrogen for the squeeze. As we are able to increase the compression of the uranium the power will go up, to destructiveness equal to 10,000,000, or 12,000,000 tons of TNT. And the end is not in sight."

He added: "We have not only the big bomb, with its tremendous power, but we also have tactical bombs, that can be carried by interceptors, fighter planes; we have guided missiles that travel between 1,200 and 1,500 miles per hour, carrying atomic warheads; we have an atomic cannon with a 25 mile range; and we have penetrating and contaminating weapons, a weapon that can destroy structures covered with concrete and soil.

"Just as an airplane drops a torpedo and it seeks its target under water, so an airplane can drop the new penetrating weapon and it will burrow into the earth for a set distance, digging through concrete or earth to a set depth and then will explode. And we have depth charges that can be used against subma-

WINS \$750 ESSAY PRIZE

First prize of \$750 in the 1953 national-wide "Roy V. Wright Memorial Essay Contest," conducted annually by the New York Railroad Club, was presented Thursday to Harry H. Ross, 32, San Francisco, brother of Mrs. Paul B. Ramer and Mrs. George A. Bender, Gettysburg, by William G. Peoples, vice president, system freight traffic, Southern Pacific Company, acting in behalf of the New York Railroad Club. Mr. Ross is a rate analyst in the traffic department of California Packing Corporation.

He is a native of Gettysburg.

His prize-winning essay was: "Competition: Meet the Fair — Eliminate the Unfair," and was a factual account of increased diversion of traffic in canned fruits and vegetables from rail to highway movement, along with suggestions as to rate and service conditions which would be required on the railways' part to recapture traffic thus diverted.

"These contests, for the best essays on subjects of constructive value in the direction of improved railroad performance, have been conducted each year for the past five years by the New York Railroad Club — in memory of the late Roy V. Wright, for many years managing editor of the industry weekly, "Railway Age," and a former president of the American Society of Mechanical Engineers. Dr. Wright was a leader in adult education activities in the engineering profession and initiated the essay contest in the New York Railroad Club shortly before his death in 1948.

Anna Laura Slaybaugh, New Oxford, sold to James K. and Doris Jean Steck, New Oxford, for \$375, a property in New Oxford.

New Snowstorm Strikes State; Only Half-Inch Fall In Town

The mercury dipped 14 below freezing here this morning with the arrival of sleet and then a half inch of snow. By 8:30 a.m. the temperature stood at 20 degrees with more cold weather and snow predicted.

By THE ASSOCIATED PRESS

A new snowstorm struck Pennsylvania today.

And again, like two weeks ago when a blizzard—the worst in about 10 years—swept the Keystone State, it's the eastern and southern sections feeling the brunt of the storm.

The weatherman predicted the fall in the southeastern half of Pennsylvania would range between four and eight inches, while in the western portions the fall possibly would be one to three inches—if even that much.

Heavy snow, whirled by strong winds, buffeted Philadelphia, the state's largest city. Motor traffic slowed to a crawl as sub-freezing temperatures iced up streets.

The storm that centered in the eastern portions of the state swept in out of the South. This is how the Weather Bureau in Washington forecast the bad news:

"The cold air has become more strongly entrenched in the Middle Atlantic States and the sleet and freezing rain from West Virginia eastward to the coast has changed into snow in most sections.

"This trend is expected to continue and heavy snow is expected to fall today and tonight from northern Virginia northward into New York State with amounts ranging from 4 to 8 inches."

Highway clundering crews went on emergency duty as main highways iced up. State police warned motorists to "take it easy."

Temperatures generally across the Keystone State remained in the low 20's.

## LIVESTOCK IS LOST IN FIRES

LANCASTER, Pa. (AP)—Fifty-four head of livestock were destroyed in two farm fires that started at almost the same time early today in Lancaster County areas about 35 miles apart.

C. L. Stoltzfus Jr. of Cambridge reported 7 horses and 31 head of cattle and swine died in the fire which destroyed the barn on his farm at Cambridge, near the Lancaster-Chester County line in the vicinity of Honeybrook. He estimated damage at \$80,000.

Firemen from Honeybrook and several adjacent communities managed to save the house but could not control the fire that had gained much headway in the barn before it was discovered at 12:30 a.m. They asked Robert S. Strahn, arson expert of the Pennsylvania State Police, to investigate in an effort to determine the cause of the blaze.

Another blaze at the Herbert Gaines farm near Mount Nebo, about 11 miles south of Lancaster, razed one of several pig houses, destroying 16 head of swine. Gaines estimated damage at \$2,000. The Pequea Volunteer Fire Co. reported that the blaze started about 12:35 a.m., apparently from an automatic heater which was operating in the building.

## May Be Risks But No Reds In U. S. Employ

WASHINGTON (AP)—Atty. Gen. Brownell says there may be some "very serious security risks" left on the federal payroll—but not, so far as he knows, any Communist party members.

Brownell made the statements under a barrage of questioning yesterday at the first news conference he has held here since last Oct. 16.

He refused repeatedly to give any breakdown of the 2,200 federal employees President Eisenhower says have been "separated" from the government as security risks—beyond saying "at least one" employee let go by the Justice Department was a former Communist party member.

## Temporary School Damaged By Blaze

DUNCANNON, Pa. (AP)—Fire which followed an explosion damaged the Knights of Phthias Hall here last night.

Rooms on both floors of the two-story brick building were damaged. The building was being used as a temporary school house for pupils of the elementary grades during construction of a new school building in the Susquehanna Joint School District.

Fire Chief David Dibiase said the fire started after a coal gas explosion in the basement of the building. No one was injured. The building formerly had housed the Duncannon Record newspaper plant.

## National Officer To Address Scouters

Harold F. Pote, a native of Stuart, Iowa, national personnel director of Boy Scouts, will be the speaker at the annual dinner of the York-Adams Area Council, Boy Scouts, to be held next Thursday evening at the Hotel Yorktown, York. Approximately 400 persons are expected to attend.

Pote, associated with scouting professionally since 1922, was executive director of the American group of 814 scouts and leaders at the Fifth World Scout Jamboree in The Netherlands in 1937.

Officers will be elected and the annual report presented by W. Jack Watson, scout executive. Statuettes and silver beaver awards will be presented. William Holley, a member of the executive board, will be toastmaster.

## Hold Prayers For Train Crash Dead

KARACHI, Pakistan (AP)—Railway authorities announced today that 60 were killed and 50 injured in yesterday's crash of the Pakistan mail express 75 miles north of Karachi.

Funeral prayers for those killed or burned to death were held today at the scene of the disaster in the Sind Desert. Those taking part in the ceremony included railway officials and relatives of the dead.

## Engagement

Willett—Mummert  
Mr. and Mrs. Elmer G. Mummert, East Berlin, have announced the engagement of their daughter, Peggy JoAnna, to Pvt. W. Maxton Willett, son of Mrs. Mary D. Willett, York, and John S. Willett, Hanover.

## Telephone Search Turns Up Ill Family

NEW HAVEN, Conn. (AP)—Fire Marshal Eugene Mulligan and a fire department inspector went to a house next door to the scene of a fire to ask if they could use the telephone. They found Mrs. Helen Peterson and her seven children all partly overcome from the lack of oxygen, caused by the flames in a ventless hot water heater.

"I guess the Lord sent us to that particular house," Mulligan said later. "I don't think they would have died, but they would have been much sicker if we hadn't arrived when we did."

## Lady Politicians Win City Hall Elections

SALEM, Ark. (AP)—Politicians looked on the city elections as "just a formality"—until the votes were counted and they discovered a Republican grandmother was the new mayor.

Mrs. W. E. Gishmiller headed a five-woman slate of candidates that took over City Hall after a successful write-in campaign. One of the aldermen—C. C. Short—was beaten by his mother, Mrs. Retie Short.

### CORN FREAK DISPLAYED

RELIEF, N. C. (AP)—Dove Hughes of nearby Pigeon Roost has some ears of corn on display at his farm. Because of dry weather, apparently, there are 16 rows of kernels from the stalk end to about halfway up the stock—but there they dwindle to only eight rows of kernels.

**SPARKLING TOP—** This coiffure shown in Paris is trimmed with jewels and includes a fireworks-producing mechanism which is designed to draw attention to hairdo.

## Rat Sneezed And Science's Progress Was Delayed Again

ANN ARBOR, Mich. (AP)—Ever see a rat sneeze? A university of Michigan scientist did, and it made him most unhappy.

Dr. David F. Bohr, associate professor of physiology, was about to move some white rats obtained from the Rockefeller Medical Research Institute into the new Kresge Medical Research Building near University Hospital. Then calamity struck.

He discovered that one of the rats had developed a cold and passed it on to the others. All, he said, were coughing and sneezing. To Dr. Bohr that was not funny. He had been patiently striving to develop a strain of disease-free rats for experimental purposes.

Now he's starting all over again on a new strain.

## Deaths

**Mrs. Grant Dubel**  
Mrs. Edith Dubel, 74, wife of Grant Dubel, died Wednesday morning at her home in Rocky Ridge, Md. Born in Adams County near Zora, she was a daughter of the late Thomas and Elizabeth Shriver Baker.

The pallbearers were Harvey Heller, Archie Lauver, Ralph Tate, Kenneth Groupe, Alfred Delp and Glenn Yeagy.

### NAMED TRUSTEE

HARRISBURG (AP)—Gov. John S. Fine today appointed Mrs. Velma D. McCollough, Lancaster, as a member of the board of trustees of Millersville State Teachers College. She succeeds the late Judge Guy K. Bard.

The governor also appointed these justices of the peace: Preston S. Smith, York, for Spring Garden Twp., York County; and A. D. Gledhill, Howard, for that Centre County borough.

### BURNED TO DEATH

EASTON, Pa. (AP)—Raymond Hodes, 31, burned to death today in a fire that destroyed his trailer home where he lived alone.

The trailer was parked on Route 329 at Northampton, near Easton. Fireman found Hodes' charred body inside the ruined trailer. Cause of the blaze was not determined.

### "HCL" HOLDS STEADY

WASHINGTON (AP)—The cost of living dropped less than one-tenth of 1 per cent in December, a minor movement which the Bureau of Labor Statistics says as evidence of "continued stability" in the economy.

The decline was the second consecutive monthly drop. BLS Commissioner Ewan Clague said, however, that the price trends definitely "are not behaving like a business recession."

### LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—Cattle 475, not enough steers to establish market. Calves 12, barely steady. Hogs 134, yards completely cleared. Sheep 0, no lambs on market.

### COOLER RECORD CLAIMED

PHILADELPHIA (AP)—What local dealers say is the largest air conditioning system ever installed in an existing building has been ordered for the 29-story Fidelity Philadelphia Trust Building here. It will have a cooling capacity equal to five million pounds of ice melting daily.

richer because deep within us there is a spirit of God, and I am grateful to that God that he has built in this community the church."

"There are times when we must express indignation concern for conditions within the community," he said. "Today the spirit of apathy is rampant throughout the world." He recalled: "Many times the Lord felt it necessary to demonstrate forcibly his righteous indignation."

"When we salute the flag," Rev. Reinberger continued, "we place our hands over our heart in the spirit of commitment, consecration, and dedication to the deep principles of Americanism."

**Cites Qualifications**  
Each speaker paid tribute to the Gettysburg Junior Chamber of Commerce which recently completed its tenth month of community service.

On the final day of "National Jaycee Week," Prof. Reinberger extended his congratulations to Junior Chambers throughout the nation "for what they are doing to preserve the American way of life."

"No other local organization has done more for the community in so short a time, and as for community service I don't know of any young man who could have filled the bill any better than Eugene Hartman," Burgess Weaver commented.

In his presentation speech Weaver noted the lawyer's qualifications as: chairman and vice president of the 1953 Gettysburg Community Chest drive; solicitor and speaker for Red Cross drives; president of the Adams County Health and Tuberculosis Society; chairman of the Black Walnut District Boy Scouts for the second year, and president of the Mason-Dixon Cottillion.

**Other Fields Of Service**  
Also, past president of the Gettysburg High School Alumni Association; a member of the St. James Lutheran Church Council four years, and superintendent of the Intermediate Department of the Sunday School for the last five years; past member and past president of the re-organized Gettysburg Board of Health, and third vice president of the Gettysburg Lions Club.

Among the organizations represented at the ceremony were the Rotary, Lions, and Exchange service clubs, the Chamber of Commerce, the Women's Civic Council, the Gettysburg Travel Council, and Beta Sigma Phi. Merle Forney, Junior Chamber of Commerce district governor from Hanover, accompanied Gouker, the master of ceremonies, to the banquet. Gouker is Junior Chamber state extension chairman and 1952 winner of the Hanover distinguished service award.

The Rev. Martin Knutsen gave the invocation a benediction. The program was tape recorded for future transcription by Edwin L. Shoop, WGET announcer. Prior to the dinner Mrs. Hartman was presented with a corsage by the Jaycees.

## Pro-Red

out they will march north—and vanish behind the Iron Curtain.

The Indian Command made a final appeal Friday for the Reds to accept the pro-Communist prisoners, but it was rejected.

Instead, the Reds warned Indian Lt. Gen. K. S. Thimayya it would consider the Indians responsible for seeing that there is no "abduction and dispersion" of the pro-Reds.

The Indian commander then met with leaders of the pro-Red compound, U. S. Sgt. Richard G. Corden of East Providence, R.I., British Marine Andrew Condon and three leaders of the South Korean Pows.

"He gave them his position," an Indian spokesman said, "namely, that by midnight we shall withdraw our guards, withdraw our custody and shall have nothing to do with them."

## ANNOUNCE FOUR HOME MEETINGS

Four meetings of county home economics groups have been announced for the coming week by Miss Mary Jane Mickey, county home economics extension representative.

The sessions include: Monday, 7:30 p.m. Littlestown with Mrs. Willis Snyder; Tuesday, 1:30 p.m., Conewago with Mrs. Melvin Nace; Wednesday, 7:30 p.m. Frogtown with Mrs. Orville Newman; Friday, 1:30 p.m. Cashtown.

## M'CARTHY IS FOR PRESIDENT

CHICAGO (AP)—Sen. McCarthy (R-Wis.) says "under no circumstances" will he be a presidential candidate in 1956.

"I'm in no candidate," McCarthy told newsmen last night after they had asked him: "Will you be a presidential candidate in 1956?"

"There have been reports that McCarthy might be a candidate," The Wisconsin senator was asked to comment on a forecast by Harold Stassen, director of the Foreign Operations Administration, that Eisenhower would be drafted for the presidency in 1956.

"I don't doubt it," he said. "If Eisenhower were a candidate today I definitely would support him, and barring anything unforeseen, I would support him in 1956."

## Arrest Fugitives Within An Hour

BELLEFONTE, Pa. (AP)—Two prisoners at the Rockview State Prison faced additional charges today of escape from an hour's freedom from the prison farm.

Prison officials identified the pair as Paul Custer, 24, Somerset County, serving 6 to 12 years for larceny and burglary, and Arthur L. Phillips, 21, Centre County, 5 to 10 years for burglary.

While operating a tractor on the prison farm yesterday, officials said, the two fled across a creek but were rounded up an hour later by prison guards.

### "HOW I LOVE YOU"

Let me caress your fingertips . . . and tell you how I feel . . . for what is in my heart for you . . . I cannot long conceal . . . I love you not with just a love . . . but with a tender yearning . . . that lingers ever in my heart . . . with warm and ardent burning . . . with deepest want to make each wish . . . you ever wish come true . . . oh yes, my darling, that's the way . . . I have of loving you . . . by action not by words alone . . . I'll show how much I care . . . with little necessary things . . . I'll prove I'm on the square . . . as babies cling to mother's love . . . I cling to you my dear . . . no other thrill is half as sweet . . . as when I hold you near . . . that's how I love you little girl . . . what more is there to say . . . except I'll keep on loving you . . . forever and a day.

## DEMOCRATS' POLICY GROUP TO MEET SOON

PHILADELPHIA (AP)—State Chairman Maurice J. Spahn says the Democratic State Policy Committee will meet within a couple of weeks—probably in Harrisburg—to discuss a candidate for governor.

Spahn's announcement last night came against a background of speculation over the party's choice—speculation sharpened by the failure of four prominent party figures to rule themselves out of contention for the nomination.

Dist. Atty. Richardson Dilworth of Philadelphia—the 1950 standard bearer and considered the leading possibility—remained in a non-committal position by reaffirming yesterday that he is "not seeking the nomination."

Another former Democratic gubernatorial candidate, John S. Rice of Gettysburg also has been mentioned as a possible 1954 choice. He declined comment yesterday on whether he would consider or accept the nomination, adding "I have not been approached by any Pennsylvania leader relative to the nomination and I have not investigated any of the stories that have been published in recent weeks."

Rice, who was the party nominee in 1946 against James H. Duff, who was elected governor and later U. S. senator, recently was named to the statewide Democratic Policy Committee to succeed the late Judge Guy K. Bard.

Meanwhile, an informed source who declined quotation by name said State Supreme Court Justice Michael A. Musmanno, Dilworth's running mate in 1950, was "giving serious consideration" to urging by friends that he seek party endorsement.

**Another Possibility**  
A third possibility, Lackawanna County Judge T. Lunis Hoban, said he would "not make an overt move to obtain any nomination" while still on the bench.

Dilworth's statement came in the midst of a bitter dispute between Philadelphia Mayor Joseph S. Clark on one side and his own city party organization and the rival Republican organization on the other, over patronage under city Charter rules.

Clark called both political organizations "power hungry" in assailing Republican-endorsed plans advanced by the Democratic organization to widen political activity of city employees through a primary referendum on Charter revision.

**Dilworth In Middle**  
Clark widened the breach between himself and the party organization over the patronage issue by hotly declaring he would oppose submission of Charter amendments to voters because they would "substitute the will of two power-crazy political organizations for the will of the people."

The main Charter change proposals call for stripping civil service protection from Fairmount Park guards and employees of elec-

(Continued from Page 1)

ries, taking an atomic charge to great depths to explode over great distances to destroy any potential enemy.

### In Atomic Race Now

"But the use of atomic energy for destructiveness is one we hope will not be needed, one we pray will never be needed. We produced the atomic bomb because in the '30s we learned Germany was developing atomic power. Scientists had known for years that the atomic bomb could be built. The only thing lacking was the money for the work and the desire to make one. When Germany began, Congress voted \$82,000,000 to be spent in atomic development. The program was voted behind closed doors, in secret. Then began the Manhattan project that resulted in the explosion of the first atomic bomb ever seen in the world."

"So far 43 atomic bombs have been exploded, by us, by Great Britain and Russia. "After the end of World War II the world situation changed until it became obvious that the United States and Russia were and are engaged in an atomic race. We could not find out what the Russians were doing so our only course was to do everything possible to develop atomic energy here. In the last eight or nine years the American public has spent \$13,000,000,000 in that development. It has put America in first place in both weapons and peaceful use of the atom."

**Big Business Now**  
"It costs \$3,000,000,000 a year to pay for atomic development. The Atomic Energy Commission employs 150,000 people. It owns 3,200 square miles of land, equal to the area of Rhode Island and Delaware combined."

**Handicrafts Class Begins**  
Eighteen adults from Bendersville, Littlestown, Fairfield and Gettysburg enrolled Thursday night for the workshop sponsored by the Adams County Girl Scout Council.

The first three classes will be on metal etching with Mrs. George Solberger, member of a home economics extension club in the county, serving as instructor. The group began the etching of designs on aluminum trays and will continue that work at classes January 28 and 29.

The opening class was held at the Girl Scout headquarters in the First National Bank building. The next two classes will be held at the Adams County Electric Cooperative building, rear of N. Stratton St., because of facilities available there.

On February 4 the classes will return to the Girl Scout office and Mrs. Carroll Arter will be instructor in table mat weaving and Brownie handicrafts. Members of the class are asked to bring with them articles made by members of their own troops as ideas for work to be done by other troops.

The handicrafts workshop is open to all adults even though may not be connected with the Girl Scouts, it was announced. Those interested in joining the course are asked to call at the Girl Scout office any Monday, Wednesday or Friday between 9 a.m. and 12 noon or between 1 and 5 p.m.

tive offices other than the mayor's, and permitting the employees to engage in political activity. The charter presently prohibits such activity in several city-county offices.

Dilworth, a political ally of Clark, has been caught in the middle of the intra-party squabble, formerly siding with the mayor but recently modifying his stand more to the views of the organization over patronage.

The situation doubtless would have an effect on Dilworth's decision on whether to accept the Democratic nomination. In stating that he would not seek it, the D.A. conspicuously declined to comment on whether he would accept a "draft" by party leaders.

bined. Five thousand firms so far have held or hold prime contracts. Last year the atomic commission let 18,000 prime contracts and purchase orders. And sub-contractors were given 375,000 contracts or purchase orders.

### Has Cornered The Market

"America has cornered the market on the uranium of the free world. We own the principal sources. It can be found in ores here in the United States, in Canada and the richest source is from the Belgian Congo. He displayed a one-pound piece of uranium, about one inch square, which he said had been made from "a great many tons of ore."

The quantities of uranium that are fitted into the atom bombs are not kept in the bombs while they are "stockpiled," because of the danger of premature explosion, he said. "But the uranium is kept near the bombs for instant placing in case of need. If there is never a need for the bombs, the uranium will be available for peaceful production of power."

"We are already in a position to supply atomic power to domestic uses. Radioactive materials are developing disease resistant and bug resistant plants and trees for agriculture. Increases are being brought about in the size of an ear of corn. We can control taste, make a food taste sweeter or more bitter, we are improving the strain of animals on the farms. In the years to come every farmer will be enjoying the benefits that atom-energy is bringing to agriculture. In the field of medicine advances are being made in combating cancer and blood diseases at three hospitals maintained by the Atomic Energy Commission as well as in other research centers. In industry, just as one example, we no longer need to disassemble a machine to find broken or worn parts or dirt. Radioactive materials can do the locating for us. That in itself will mean savings of millions to industry."

**Great Benefits In Power**  
"We stand to derive more benefit in the field of power than any other. In 1950 the entire world used 800 billion kilowatt hours of electricity produced from water, coal, oil and gas and even wood. Two hundred tons of uranium will produce an equal amount of electricity—equal to the entire world production at the present time."

"And it will do it cheaper. Today it costs \$17 for a pound of uranium which can give the energy produced by 2,600,000 pounds of coal. Today it costs from five to seven mills per kilowatt hour for production of electricity. To do the same work today by atomic energy would cost 20 to 30 mills per kilowatt hour. But scientists can foresee the day when atomic energy can produce electricity at less than half the cost of electricity production today, for about 2 to 2½ mills per kilowatt hour."

In answer to questions he said he felt the atomic motor of the new submarine launched Thursday would prove successful. The engine is exactly like one set up "last April and it is still running." The engine is operated by "about as much uranium as would make up this lead pencil. The uranium is down out in fine strips and placed between strips of special metal. Then that is dipped in a water tank and produces steam. The steam in turn runs turbines to make electricity. As a result the submarine can operate above or below the water for six months before it need return for more uranium. When it returns, the section containing the uranium is lifted out by a crane and another uranium section installed. The used uranium is then reactivated by a

process that cost us \$25,000,000 to develop and can be used again, just as active as it ever was."

**Learned About Russian Blast**  
After showing pictures of atomic explosions, he noted: "You see the atomic cloud formed by the explosion. An airplane flying through that cloud and from that sample scientists can tell what exploded, the type of container it was in, whether it was exploded on a tower, in the air or water, and the earth where it hit. All of the secrets of the bomb are in the cloud. That is how we know where and what the Russians exploded. And they undoubtedly know just as much about the ones we have exploded. We have posts around the perimeter of Russia. They first felt the explosion, then heard it, then an airplane flying in the Pacific went through the cloud and brought in the samples that told us it was a plutonium bomb, that it was exploded on a wooden tower by a lake and other details. As a result we could pinpoint just where the explosion occurred and all details about it."

**Gives Bank Figures**  
C. E. Taylor, president of the bank, told the group "gross income for 1953 totalled \$70,800 as compared to \$62,800 in 1952. Expenses increased from \$42,005 to \$47,000 in 1953. The operating earnings amounted to \$4.74 per share of stock or an increase over 1952 of 12 per cent. Federal and other taxes amounted to \$1.40 per share which decreased earnings per share, after taxes, to \$3.34. Dividends of \$5.50, or \$1.10 per share, were paid in 1953. This amount brings to \$108,700 the amount of earnings distributed to the stockholders since the organization of the National Bank of Arendtsville."

President Taylor said a "substantial number of new accounts have come to our bank." He paid tribute to the late G. F. Smith for his service over many years, welcomed Curvin Mickey as a new employee of the bank and paid tribute to R. H. Shull, who has served the bank as a director since 1908. He added that the number of stockholders has increased from 87 in 1952 to 92 in 1953.

Arnold E. Orner, cashier of the bank, served as master of ceremonies for the dinner session held in the Arendtsville Reformed Church. Music was provided by the Sportsmen of Biglerville High School.

## Marine Death Toll In Ship Crash Is 29

INCHON, Korea (AP)—The death toll of U. S. Marines in yesterday's collision of a troopship and a small landing craft was raised to 29 today.

Authorities said official records showed the Marine-laden landing craft carried 51 rather than 50 men. Twenty-two were rescued from the icy waters of Inchon harbor.

Names of the dead have not been announced.

## Find Body Of Aged Man In Fire Ruins

BOONTON, N. J. (AP)—A body, believed to be that of an 83-year-old man, was found amid the charred rubble of a Studebaker agency that was destroyed by a spectacular fire today.

He was tentatively identified as William Leiba, who lived in an apartment above S&D Motors, Inc., 124 Division St.

Two new cars and a number of used cars were reported destroyed by the fire. The blaze started shortly before 7:30 a. m. and raged for over two hours before being brought under control.

## McSherrystown Lions Plan Amateur Show

The Conewago Lions Club will sponsor an amateur show in the Delone Catholic High School auditorium, McSherrystown, Monday night, April 12, F. L. Klunk, general chairman of show committees, has announced. The club has engaged Big Chief Halftown, Philadelphia, to act as master of ceremonies.

At a dinner-meeting of the clubmen Wednesday evening held in Buzz Inn McSherrystown, 1953 activities were reviewed by Gerald Krepps, secretary, and Joseph F. Sneeringer, chairman of the playground and baseball committee. Sneeringer announced that plans are being completed for installation of additional equipment on club-sponsored playgrounds.

## SAYS CORONER JOB USELESS

HARRISBURG (AP)—The office of coroner was described as "obsolete and outmoded" at a meeting here today of the Joint Medico-legal Committee of the Pennsylvania Bar Assn.

"The coroner's office today serves only as a financial drain on the pocketbook of the tax payer and nothing else," said Dawson H. Muth, Reading attorney and a member of the committee.

"We intend to have the office abolished by law and replace it with a medical examiner's office," Muth told a newsmen.

"The coroner in Pennsylvania

## OK AMENDMENT ON VOTING AGE

WASHINGTON (AP)—A Senate judiciary subcommittee today approved a constitutional amendment to lower the voting age from 21 to 18 as recommended by President Eisenhower.

Only the three Republican members—Chairman Langer (ND) and Sens. Dirksen (Ill.) and John M. Butler (Md.)—were present. All favored it.

The voting was left open for the two Democratic members of the subcommittee—Sens. Kilgore (W. Va.) and Kefauver (Tenn.)—to cast their ballots later if they wish.

Kefauver is among the sponsors of the proposed amendment. Kilgore offered such legislation nearly 10 years ago and is listed as a supporter.

The subcommittee action sends the proposed amendment on to the full Judiciary Committee where it is expected to encounter some opposition.

serves no useful purpose today and only succeeds in wasting the taxpayers' money performing meaningless duties which are obsolete and outmoded," he said.

The former president of the Berks County Bar Assn. said the move to "do away with the office of coroner" has the backing of the Pennsylvania Medical Society.

Chairman Charles B. Nutting, Pittsburgh, said the committee unanimously agreed on recommending that the coroner's office be abolished.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTEEN YEARS AGO

Severe Gale Sweeps Gettysburg,  
County; Variety of Damage: Con-  
siderable damage was reported in  
Gettysburg and Adams County Sun-  
day as this section felt the force  
of the gale that swept North  
Atlantic states. The wind reached a  
velocity in excess of fifty miles an  
hour.

Electric and telephone lines were  
blown down and broken in several  
sections of the country, leaving at  
least two county communities with-  
out electric current for hours and  
many sections without telephone  
service. Extra crews of workmen of  
the telephone and light companies  
replaced several scores of poles and  
restrung miles of wire.

Bachmans Home From College  
Leave: Dr. and Mrs. Albert Bach-  
man and sons, Albert Eric and  
Edwin, North Stratton Street, ar-  
rived in New York on the S.S.  
"Isle de France," last week from  
a sabbatical leave from Gettysburg  
College of approximately six months,  
most of which was spent studying  
in France.

Mrs. Bachman and two sons  
visited Mrs. Bachman's brother-in-  
law and sister, Dr. and Mrs. De  
Waldkirch, in Geneva, Switzerland,  
while Dr. Bachman was studying in  
Paris.

They also spent some time travel-  
ing in France, Switzerland, Italy  
and Germany. The Bachmans will  
reside with Prof. and Mrs. Herbert  
G. Hamme until February 1 when  
they will return to their residence at  
325 North Stratton Street.

day evening, Miss Sara Clark, vice  
president, presided with 13 mem-  
bers in attendance. Mrs. Charles  
Garland, Dayton, Ohio, was an  
additional guest.

The program included several  
piano selections by Miss Eva Sachs,  
several vocal solos by Miss Letha  
Stoner, and a talk on art by Miss  
Anne Mumper. The next meeting  
will be held Tuesday, February 14,  
at the home of Mrs. Jacob Britcher.

home as the result of a fall Tuesday  
evening in which he injured his hip.

Guest Preacher: The Rev. John  
S. Lonsinger, a senior at the Prince-  
ton Theological seminary, will  
deliver a trial sermon at the Lower  
Marsh Creek Presbyterian Church  
Sunday morning at 10:30 o'clock.

Drs. Rasmussen and Heim Named  
To Faculty of Seminary Here: Dr.  
Carl C. Rasmussen, Washington,  
D. C., and Dr. Ralph E. Heim, of  
Hartwick College, Oneonta, New  
York, were elected to membership  
on the Lutheran Theological  
seminary faculty at a special meet-  
ing of the board of directors Fri-  
day at Zion Lutheran church, Har-  
rington. Thirty-five of the 44 board  
members were in attendance.

The meeting was called especially  
to fill the vacancy occasioned by  
the death of Dr. M. Hadwin Fischer  
and to fill the newly created Ulrich  
chair of the Art of Preaching.

Dr. Rasmussen was graduated  
from Gettysburg College in 1912 and  
from the seminary in 1915. His

## FRUITS OF SOLITUDE

Long before the independence of  
the American colonies was a fact  
there was a man by the name of  
William Penn, once Governor of  
Pennsylvania, who decided to set  
down thoughts that came to him  
from time to time. He called them  
"Fruits of Solitude" and they were  
first written in 1692. The little copy  
I have was given to me years ago  
by a Chicago printing firm. It is  
from the eleventh edition.

The reading of these apothegms  
reminds one of Lord Bacon and  
Marcus Aurelius. They were writ-  
ten from the heart of a kindhearted  
and God-fearing man, whose in-  
fluence in his day was very great.  
Robert Louis Stevenson once wrote  
in a copy of the maxims these  
words in tribute: "For while just  
now we are so busy and intelligent,  
there is not a man living, no, nor  
recently dead, that could put, with  
so lovely a spirit, so much honest,  
kind wisdom into words."

The first edition of this book was  
published anonymously, London,  
1693. What a treasure it would be  
now to hold in one's hands, for in  
this small book are words of hope,  
love, admonition, and spiritual guid-  
ance. Here are a few of his  
thoughts:

"It seems but reasonable that  
those whom God has distinguished  
from others by his goodness, should  
distinguish themselves to Him by  
their gratitude."

"A true friend unbosoms freely,  
advises justly, assists readily, ad-  
ventures boldly, takes all patiently,  
defends courageously, and contin-  
ues a friend unchangeably. These  
being the qualities of a friend, we  
are to find them before we choose  
one."

"Speak properly, and in as few  
words as you can, but always  
plainly; for the end of speech is  
not ostentation, but to be under-  
stood."

"Oppression makes a poor coun-  
try, and a desperate people, who  
always wait an opportunity to  
change."

William Penn was a good and  
influential man in his time, and his  
kindness and wisdom live to this  
day.

Tomorrow Mr. Adams will talk  
on the subject: "Darkness."

## Just Folks

THE BETTER ASH SIFTER  
When we were young and dollars  
few,

As neighbors on a little street,  
To sift the ashes winter through.

Out in the alleyway we'd meet,  
Lugging the baskets from the  
cellar

Were Eddie Guest and  
K. T. Keller.

When K. T. starts the tale to tell  
Of me to one and all he'll say:

"He did not sift them very well,  
He threw too much good coal  
away."

While I—the thrifter of the  
pair—  
Did better, taking greater care.

"He shook too fast; too soon he'd  
quit.

I knew succeed he never  
would.

Too often just to rest he'd sit  
Instead of sifting as he should.

He never learned the master  
touch.

The fact is, Eddie talked too  
much."

Well, K. T. long has passed  
me by.

He well deserves the world's  
esteem.

He worked both day and night  
while I  
Continued just to sit and  
dream.

While Rome was burning Nero  
fiddled;

While I was shirking K. T.  
riddled.

START TO PICK  
FLAWS IN IKE'S  
BUDGET PLANS

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—Portions of  
President Eisenhower's un-  
balanced 65½-billion-dollar spend-  
ing budget for the next fiscal year  
today appeared to face some stiff  
bipartisan congressional trouble.

"Too much," said Chairman Ta-  
ber (R-NY) of the House Appropria-  
tions Committee.

Rather risky, commented House  
Democratic Leader Rayburn of  
Texas, referring to a cut in  
planned national security spend-  
ing. Many Congressmen, however,  
praised the emphasis on air power  
and new weapons. Rayburn agreed  
it was proper to put emphasis on both.

Unhappy About Deficit  
Some Republicans and Democ-  
rats joined in commenting that  
the President's stand against cuts  
in corporation and excise tax rates  
was likely to face severe fire from  
a Congress anxious to cut taxes  
in a year when many members  
face re-election campaigns.

There was some criticism of  
plans for continued heavy foreign  
aid spending and, from a few Democ-  
rats, of proposed cutbacks in  
Army and Navy manpower.

And there was bipartisan unhap-  
piness over the fact that the budget  
projects a federal deficit through  
the 1955 fiscal year starting July  
1.

Praise For Savings  
The reduced spending estimates  
came in for general praise, al-  
though there was some criticism  
of specific cuts.

The bulky document picturing  
the government's financial plans  
for the new year headed for the  
House Appropriations Committee,  
the first step toward congressional  
approval or revision.

Taber, who always has insisted  
"there never was a budget that  
couldn't be cut," said his commit-  
tee ought to be able to trim at  
least three billion dollars from the  
65½ billion in new appropriations  
requested for the coming year.

"Too Optimistic"  
That, Taber told newsmen,  
might "get rid of the deficit,"  
which the President estimated  
would be \$2,928,000,000 for the year  
ending in mid-1955.

Told that Budget Director  
Joseph M. Dodge, the President's  
chief fiscal aid, had said such a  
cut would have to be made "at  
the expense of essential activities  
of the government," Taber replied:

"The proof of the pudding is in  
the eating."

Sen. Douglas (D-Ill) meanwhile  
predicted a federal deficit of "at  
least five billion dollars" for the  
current fiscal year and chided the  
administration for an "altogether  
too optimistic" estimate.

OPPOSITION TO  
IKE'S PROPOSAL  
ON TAX CHANGES

By CHARLES F. BARRETT

WASHINGTON (AP)—President  
Eisenhower's plea to Congress to  
hold the line against any further  
cuts in major tax rates smacked  
into strong opposition today.

Several key Democrats planned  
a floor fight in the almost evenly  
divided House for a plan to slice  
2½ billion dollars a year off per-  
sonal income taxes, relieving sev-  
en million taxpayers from any pay-  
ment at all.

And some Republicans and Democ-  
rats alike predicted Congress  
would permit at least slight re-  
ductions in both corporation in-  
come and excise tax rates.

Applauded By GOP  
Eisenhower, in his annual budget  
message yesterday, strongly en-  
dorsed a project for rewriting al-  
most all the nation's tax laws. His  
proposals would reduce revenue  
two billion dollars annually when  
they reach full effect, but this  
would be done through many  
changes in various deductions, al-  
lowances and other technical  
points—not through major rate  
changes.

Republicans generally applauded  
this program, but Rep. McCormack,  
Massachusetts, the assist-  
ant Democratic leader, accused  
the President of "political insin-  
cerity."

\$85 Millions Less In Taxes  
"Instead of appealing to the peo-  
ple to make sacrifices for great-  
er national defense," McCormack  
said, "the President is appealing  
to their hopes for tax reductions."  
"But apparently the only ones

being considered in the President's  
program are corporations and  
large stockholders. If President  
Eisenhower thinks we can have  
tax reductions, the people gener-  
ally should benefit."

Eisenhower said the program he  
proposed, in its first year, would  
relieve individuals of \$85 million

dollars in taxes and corporations  
of 630 millions.

McCormack added his "present  
inclination" is not to vote to ex-  
tend present rates on corporations  
and excises. Eisenhower urged  
Congress to cancel three billion  
dollars in cuts in these fields, now  
set automatically for April 1, and  
to prevent losses in revenue from  
other excises not involved in the  
April 1 changes.

Rep. Kean (R-NJ), fourth-rank-  
ing Ways and Means Committee  
Republican and usually an admin-  
istration supporter, predicted there  
would be "at least slight reduc-  
tions in corporation income taxes  
and considerable reductions in  
some of the higher excises."

## Musial Signs \$80,000 Contract; Schoendienst, Haddix Unhappy

By THE ASSOCIATED PRESS  
The St. Louis Cardinals, in the midst of a rebuilding program, still have two big salary problems—Red Schoendienst and Harvey Haddix, a 20-game winner, are far from satisfied with the contracts they've been tendered for the upcoming campaign.

"We've had some talks with Schoendienst," August A. Busch, Cardinal prexy, said yesterday, "but at the moment we are not quite together."

**Ask \$10,000 More**  
Both Schoendienst and Haddix are reportedly asking \$10,000 more than they received in 1953. Red is said to have received \$35,000 last season and Haddix \$8,000.

The Cardinals bagged their biggest catch of the contract signing season yesterday — Stan Musial. The six-time National League batting king put his signature on a pact calling for a reported \$80,000 — tops in the senior loop. Enos Slaughter, another of the Redbirds' veteran outfielders, came to terms last month.

Eddie Mathews, another of the National League's foremost sluggers, also signed his contract yesterday. The hard-hitting Milwaukee third baseman, who earlier this week indicated he "might hold out," agreed verbally to terms with Lou Perini, the Braves' president. Best guess was that Eddie's salary for next season will be around \$25,000.

Second baseman Bobby Young, a native of Baltimore, became the first Orioles' player to sign for '54 and outfielder Bill Renna and pitcher Walt Kellner were bagged by the Philadelphia A's.

## URGES TITLE SCRAP JULY 4

TRENTON, N. J. (AP)—New Jersey Athletic Commissioner Abe J. Greene today urged the International Boxing Club to stage a 15-round world's featherweight title bout between Sandy Saddler and Percy Bassett in Atlantic City the weekend of July 4.

Greene, who is also National Boxing Assn. commissioner, said he has written IBC officials a letter citing a number of "highly attractive" factors for such a match in Convention Hall at the famous seashore resort.

The commissioner said Atlantic City boxing promoter Al Seifer joined him in the bid for the title bout. Greene added that Seifer feels such a match would be "ideal, especially in view of the fact that Bassett, the interim featherweight champion, is from Philadelphia." He said Atlantic City is convenient to Philadelphia boxing fans.

Greene said he was "certain that city and state officials, headed by Mayor Joseph Altman and Sen. Frank Farley, would make the gigantic Convention Hall in Atlantic City virtually rent-free."

## Warriors, Hawks Play Here Tonight; First Game At 6:45

A pair of time-honored rivals, Gettysburg and Hanover, meet here tonight in a South Penn Basketball League game.

Both teams are out of the running for the first half title but both hope to finish in the first division which makes victory tonight a prerequisite.

The Nighthawk reserves, tied with Hershey for the lead in the jayvee division, will meet the Warrior scrubs at 6:45 o'clock.

The top attraction in the Adams County circuit tonight will be staged at Biglerville where the Cannons and Bolling Springs, both 5-0, battle for first place. The same situation holds in the preliminary game in which the girls scrap for the lead in their division.

Other county league games tonight include East Berlin at Littlestown, Fairfield at York Springs, and Newville at New Oxford.

## U. OF WICHITA SHOCKERS LOOK LIKE THREAT

NEW YORK (AP)—This was the year they said the University of Wichita would have to make the big splash in the Missouri Valley Conference. And Wichita's cagers are doing just that.

True, last night's 102-50 walloping of Little Fort Hays State didn't add much stature to Wichita's No. 11 ranking in the latest Associated Press poll. But it underlined the threat the Shockers are making to the Oklahoma Aggies and St. Louis, the conference big wigs.

**14th For Wichita**

Up to this season, it was a case of the Aggies winning the conference crown most of the time and the Billikens the rest. But boasting a 4-0 record in league play and an overall 16-1 mark, the surprising Shockers are making a run for national recognition. A victory over St. Louis Saturday would put them right up there.

Last night's victory was Wichita's 14th straight. Its only loss came at the hands of Seattle Dec. 4, after having defeated the West Coast club the previous evening.

**Trouble For G. W.**

George Washington's 10th-ranked Colonial ran into unexpected trouble last night before finally subduing eight-times-beaten Virginia 73-71.

The Colonials, playing without star guard Elliott Karver, won their 12th game against one loss (to Maryland) on the contributions of the Holup brothers, Joe and John. Joe had 25 points and John chipped in with 19.

Even Bevo Francis had his troubles. The much-heralded high scorer tallied 32 points as Rio Grande edged 74-71. But the big man relinquished high-scoring honors for a change. Ronnie Marquette, a Findlay guard, had 36.

## MIKAN IS BEST IN 50 YEARS

NEW YORK (AP)—George Mikan says the 1954 National Basketball Ass. All Star game was the greatest ever played anywhere.

George ought to know. He was picked as the Outstanding Basketball Player of the Last Half Century in the Associated Press poll. He starred in college ball at DePaul and has been the mainstay of the Minneapolis Lakers, national pro champions, for seven seasons.

Last night Mikan was on the losing team. The East squeezed past Madison Square Garden. Mikan personally extended the game the extra five minutes.

With the East leading 84-82 and the clock showing absolutely no time left, George shot, missed and drew a foul giving him two free throws. He made both, forcing the game into overtime.

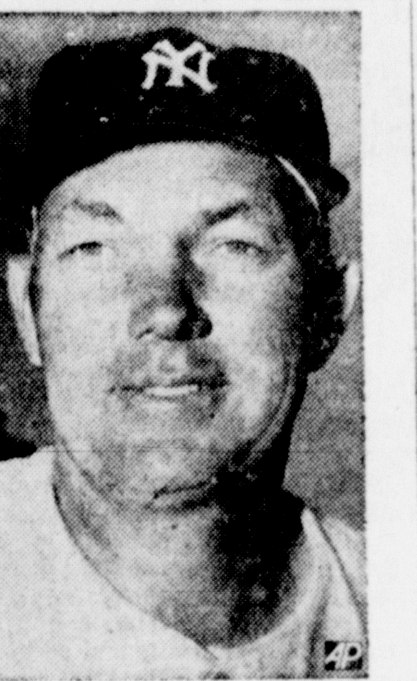

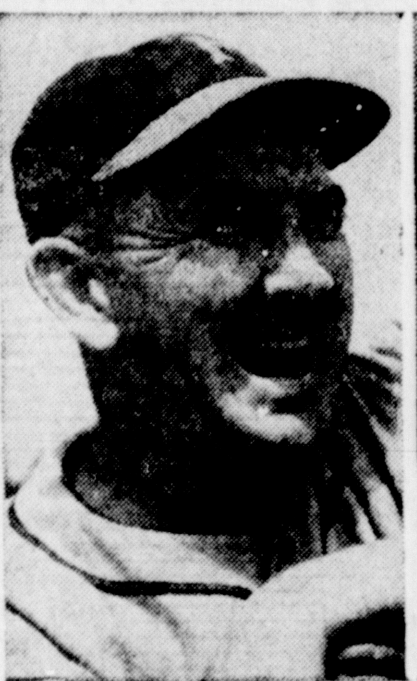

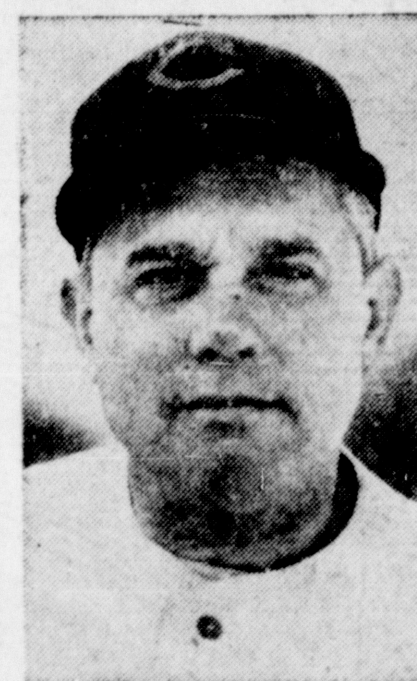

Bob Cousy of Boston, whose one hander had given the East the lead with two seconds to play, stole the show in the extra period, scoring 10 points for a game total of 20 and controlling the ball almost constantly with his tremendous dribbling. The display won him the Most Valuable Player award.

Eric Nesterenko of the Toronto Maple Leafs in the National Hockey League halls from the small community of Flin Flon, Manitoba.

and 40 of 56 fouls for a total of 164 points in eight games. The Lions were on the short end of the score only twice, against North Carolina State and Navy. Next time will send the Lions against Bucknell, at Lewisburg January 27.

## Enter Baseball's Hall Of Fame

Bill Terry, left, former New York Giants first baseman-manager; Walter "Rabbit" Maranville, a former Boston Braves shortstop, and Bill Dickey, former catching star and now coach of the New York Yankees, left to right, on Wednesday were elected to baseball's Hall of Fame. Maranville received 209 votes by the 10-year members of Baseball Writers Association, Dickey received 202 and Terry 195. Joe DiMaggio, former Yankee outfielder, failed to make it with 175 votes.

## Vince Martinez And Rocky Casillo Tonight

NEW YORK (AP)—Vince Martinez and Rocky Casillo, two ambitious young welters who hope Kid Gavilan graduates with honors into the middleweight class, try to crack the top 10 ratings tonight.

Their 10-round match at Madison Square Garden will be carried on network radio (ABC) and television (NBC) starting at 10 p.m. (EST). Martinez is a 12 to 5 favorite.

The prize for the winner is supposed to be a Feb. 19 or March 5 date with Billy Graham, who is sure to be involved in any eliminations if Gavilan is forced to vacate his title. The Cuban Keed will have to give up the welter crown if he whips Bobo Olson or the 160-pound title April 2 in Chicago.

## Biglerville FFA Cagers Triumph

The Biglerville FFA basketball team defeated the Gettysburg FFA dribblers 31-22 Thursday on the local high school floor.

Gettysburg's ninth and 10th grade FFA outfit edged out Biglerville 16-15 in the preliminary.

## FAWN EATS CRACKERS

EAGLE ROCK, Pa. (AP)—Carol Myers has company these days when she heads for the kitchen for milk and crackers after school—a fawn.

It enjoys a daily afternoon snack of graham crackers and milk as much as any youngster. The fawn has been cared for at the Myers farm since early this spring when it was found too weak to walk.

## Charley Dressen Likes Many Of His Budding Oak Players

(This is the second in a series of bylined stories on future baseball stars. They were written expressly for AP News-features.)

**By CHARLEY DRESSEN**  
Manager, Oakland A's

OAKLAND, Calif. (AP)—This will be a little different than managing the National League champion Brooklyn Dodgers. However, it should be fun.

From what Brick Laws (Oakland president) tells me we have some fine looking young prospects who will report for spring training at Monterey.

We will have a young first baseman, a left-handed hitter, who was signed out of high school in 1950 when I last managed the A's. He is Jim Marshall. A lot of major league clubs are after him.

Last season he did pretty well. He hit .273 in 151 games. It's his power that has the major league scouts in a dither for his 152 hits include 24 home runs, which tied him for fourth in the Pacific Coast League. He also hit eight triples and 27 doubles, was 14th in the league in total bases and eighth in runs batted in with 99.

**Lefty Promising**

Don Ferrarese, a left-handed pitcher who was signed as a kid out of high school in 1950, is another prospect who has attracted the scouts. He had a 4-4 record with Oakland last year and has a good arm. He showed well while pitching a pair of three-hitters. About all he needs is experience and control. He walked 84 men in 56 innings and he figures to cut that down this year.

We have another prospect, possibly the best we'll have, in Ernest Broglio, a 17-year-old right-handed pitcher. His 2-4 record may be deceiving but he completed two of his five starts. I think that's quite an accomplishment for a boy of 17.

Robert Murphy is another one to watch. He came right out of Stanford and pitched for Oakland, winning four and losing five. Control is his best asset.

We have a lot of other fine boys coming up. Maybe we have even another Johnny Podes (Dodger southpaw, 20, who opened against the Giants last spring), but I'll know better after spring training.

## 49 BREAK PAR IN SAN DIEGO'S GOLF TOURNEY

RANCHO SANTE FE, Calif. (AP)—The wreckage that was a par decorated the Rancho Golf Course today as upward of 130 golfers headed into the second round of the \$15,000 San Diego Open Tournament. An astounding number of 49 players out of 134 starters broke par 72 in the first round, and tournament officials sought to tighten up the course today.

Leading the procession into today's 18 holes was 27-year-old Bill Ogden of Chicago, whose 33-66 looked none too secure in the face of the par crackers just behind. The Rancho course measures almost 6,800 yards and has par 36-72. One stroke back of Ogden, a former Sacramento California amateur star until he turned pro four years ago, were three players. They were U. S. Amateur champion Gene Littler of San Diego and pros Earl Stewart Jr., Dallas, and Bob Harris, San Jose, Calif.

**6 Tied At 68**  
There were six players tied at 68, headed by Tommy Bolt of Maplewood, N. J., who won the San Diego event last year. Art Wall of Honesdale fired a 34-35—69 to lead Pennsylvania entries.

Low Worsham of Oakmont and John Weitzel of Hershey shot 70's. Worsham carded 35-35 and Weitzel 38-32.

The 69 bracket found seven men, headed by E. J. (Dutch) Harrison, winner of the recent Bing Crosby pro-amateur tournament, and Ed (Porky) Oliver. Fifteen pros were tied at 70, including former National Open champions Lloyd Mangrum, Worsham and Cary Middlecoff. At 70, even ex-national champion took a back seat.

## Two Scholastic Schedule Changes

A pair of changes in scholastic basketball schedules have been announced.

Delone Catholic will be host to Mt. Carmel Catholic Sunday afternoon at 2 o'clock to make up the postponed game of January 12.

Announcement was made today that Littlestown will play at Biglerville in the Adams County League on Saturday, January 30, instead of January 29. The change was made due to the activities at Littlestown next Friday evening when the new elementary school building will be dedicated.

### CROSSING MAN-MADE BARRIERS

John 4:27-42  
Key Verse: "We have heard of ourselves, and we know that this indeed is the Saviour of the world."

John 4:42

Jesus frequently ignored prevailing customs when they were roadblocks in His way. At times He seemed revolutionary in His teachings and acts. His conversation with the Samaritan at that time was an illustration. With several of His disciples He was passing through Samaria on the way from Judea to Galilee. The Jews so thoroughly disliked the people in Samaria that they bypassed that province. Jesus disregarded this barrier of hatred.

We find Him one day, wearied by His journey, seated by the well while His disciples went to Sychar nearby to buy food. Upon their return they found the Master conversing with a woman—a Samaritan at that. It was considered poor taste for a man to talk with a woman when no one else was present. His disciples "marveled." Another custom had been ignored. The woman came with a jar to draw water. The Master asked for a drink. And then the conversation was about Jewish-Samaritan relations; about worship; about "living water" which Jesus said He could give; about her personal life. "I know that Messiah is coming," said the woman. "I who speak to you am He," said the Master.

The surprised woman left her water jar and hurried to Sychar and told other people of her conversation with One she believed was the Christ. They came and after seeing and hearing Jesus said to the woman, "We know that this is indeed the Saviour of the world." It is still true that personal knowledge and experience are the unfailing way to be assured that Jesus is Lord and Savior. "God is a Spirit and they that would worship Him must worship in Spirit and in truth." That was the declaration by Jesus when the Samaritan woman inquired where God was properly worshipped. Any place where God is is holy and that is wherever men sincerely seek Him.

The disciples spoke of food they had brought for their Master. He told them His food was to do His Father's will and then spoke of ripened harvest fields. God's work comes first. The woman left her jar at the well while she went to tell her neighbors good news. The

Master declined food while calling attention to work waiting to be done for His Father. This is a sharp reminder that work for God is urgent. There are opportunities for spreading the Gospel which cannot wait for a more convenient time. No doubt Jesus was on an important journey to Galilee but He delayed for two days at the well because the people were ready to hear and accept His message.

Remember this precious time was given to a race of people despised by "a chosen people," the Jews. But that was not according to God's plan. The Jews were not chosen to despise but to love and teach other people. Jesus came to show all men the better way. Finally He gave His life for all men. We accept the truth that in God's sight all men are equal; that all races are His creation; that in Christ is redemption for all; that all men who bear the name of Christian should seek to establish a common brotherhood. These are our convictions but we fail in our

practice of them. There are many barriers made by man's prejudices which have to be crossed. Jesus has shown us the way.

EVERYONE WELCOME

Inasmuch as spiritual development embraces the enduring qualities of our existence, the Church can truly be called the symbol of civilization.

History proves that the most highly civilized nations are those which encouraged and promoted the life of the mind and spirit. Buildings have crumbled, cities have disappeared, and great states have become as legend, but the revelations of God remain eternal.

That is why the appearance of a church is a sign of progress, whether it be in a vast metropolis or in a country village. For the Church represents man's quest for immortal Truth.

When you support the Church you will be contributing to the progress of civilization. You will enrich and enjoy your only imperishable possession—your soul.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## "FLYING FINNS," CUFF ATTORNEY THEN GO TO JAIL

LOS ANGELES (AP)—The embattled Irish twins, George and Charles Finn, are back in jail today after another flamboyant brush with the federal government during which they handcuffed the United States attorney and threw officialdom into an uproar.

The "Flying Finns," former Air Force pilots, have been having legal trouble with the government for more than a year in connection with their claims to ownership of a \$70,000 war surplus C46 transport plane.

The unpredictable 38-year-old twins yesterday handcuffed U. S. Atty. Laughlin E. Waters in an attempted "citizen's arrest" as he came out of the Biltmore Hotel, where he had addressed the Los Angeles Bar Assn.

They accused him of "conspiracy against the rights of citizens and deprivation of rights under cover of the law." They said he had been giving them the "brushoff" and refused to discuss with them the government's seizure of the plane they purchased a year ago from the Bakersfield, Calif., school

district, which had used it for a mechanical training course.

### Jailed For Bail

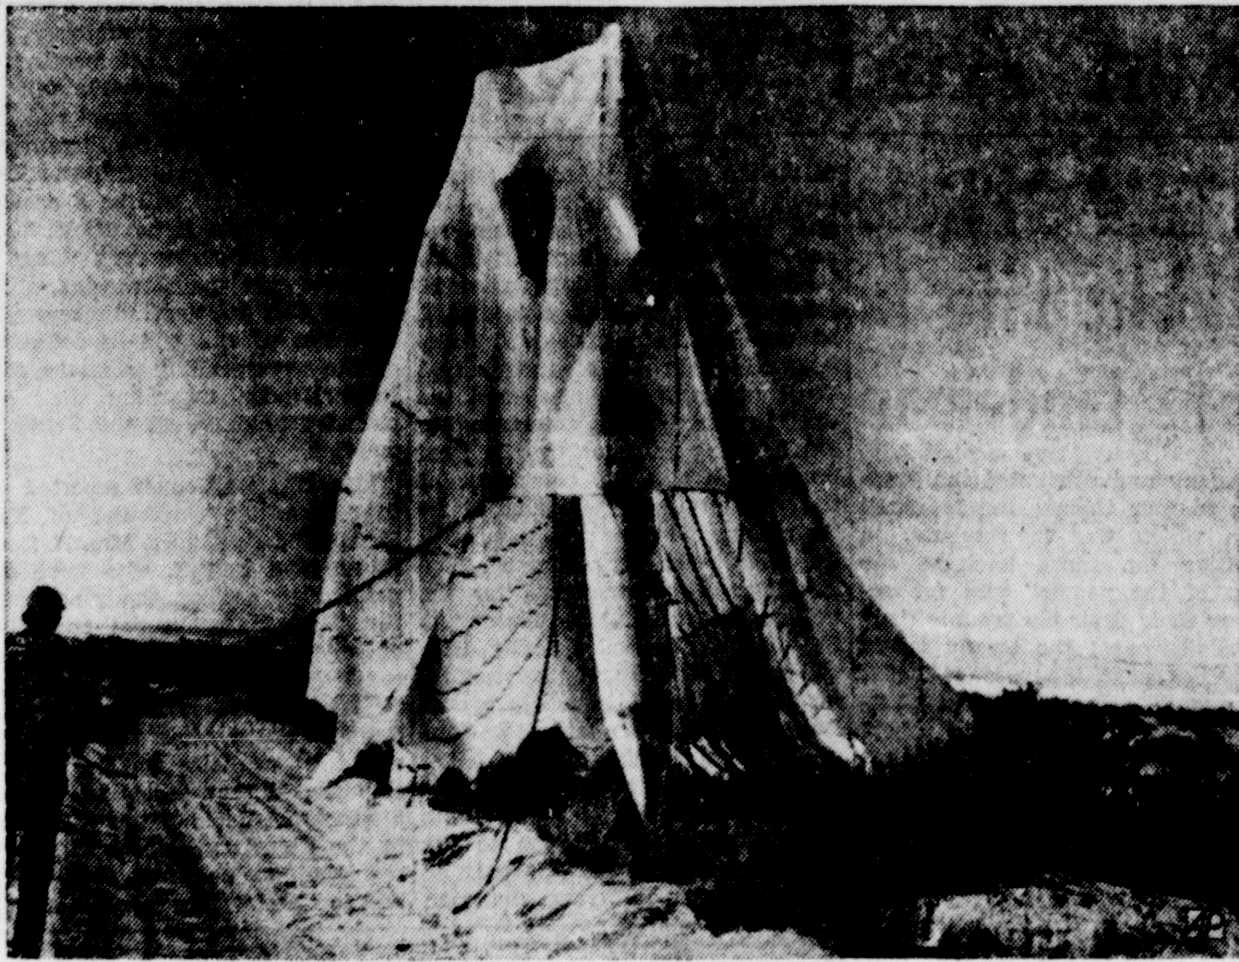

The Finns and Waters, trailed by officials, reporters and photographers, went to the offices of Dist. Atty. S. Ernest Roll and discussed the situation in detail. Waters went free, of course, and the twin brothers were taken before the U. S. commissioner and arraigned on a charge of assaulting a federal officer, then jailed in lieu of \$10,000 felony bail.

The Finns' difficulties with the government began when federal authorities told them they had no right to purchase the transport plane, which had been condemned for future flying service. The twins ignored the government and a year ago flew the plane to an isolated field near Death Valley. They were arrested but the case against them collapsed because the government couldn't prove which of the brothers actually had flown the plane from Bakersfield.

### KILLED IN FALL

LANCASTER, Pa. (AP)—George Waite, 24, of Croydon, Bucks County, died here yesterday of injuries suffered in a 24-foot fall from a scaffold while working Tuesday at the site of a Permutt Co. plant under construction.

Waite, father of a two-month-old son, was employed by the J. B. Eurrell Co., Lansdowne contractors.

## IKE'S NEW PLAN FOR DEFENSE IS WELL RECEIVED

By EDWIN B. HAAKINSON  
WASHINGTON (AP)—President Eisenhower's "new concept" for defense, emphasizing air power and new weapons while making a four-billion-dollar spending cut, got enthusiastic Republican support in Congress today.

Many Democrats withheld fire, saying they wanted to study the complex multibillion-dollar budget, but Sen. Maybank (D-SC) in an interview asked "expansion of our air power as fast as we can." He suggested unspent foreign aid funds be used to speed the Air Force program.

And Sen. Douglas (D-ILL) questioned plans to cut back ground forces of the Army and Marines.

Chairman Short (R-Mo) of the House Armed Services Committee said he does not expect any sharp fight in the House, but disclosed the committee has arranged for defense chiefs to expound the new policy to its members.

Two Will Testify  
Short said Secretary of Defense Wilson and Adm. Arthur M. Radford, chairman of the Joint Chiefs of Staff, will appear at a closed meeting Monday.

One Democratic member of the committee, Rep. Price of Illinois, said House Democrats probably would support the budget.

"As long as they (the administration) have awakened to the need of air power and atomic arms," he said in an interview, "we can go along with the risk in other fields, hoping they know more than they're telling us."

Republican congressional leaders all voiced praise.

Chairman Saltonstall (R-Mass) of the Senate Armed Services Committee said the new budget would give the armed services "all the money they can efficiently use."

Senate Majority Leader Knowland (R-Calif) and Chairman Bridges (R-NH) of the Senate Appropriations Committee agreed with Eisenhower that "our security is being strengthened — not weakened."

## GIRL WANTS JOB AS PAGE

WASHINGTON (AP)—The idea that some girls might be appointed pages for Congress produced this kind of reaction today:

From members: "Well..."  
From the present pages — all boys: "Wow!"

Margaret S. Alden, a 16-year-old high school sophomore of Rochester, N. Y., put lawmakers on the spot by asking for a page job, "although I know no girl has ever been appointed to such position."

Pages are the youngsters who scurry about on the floor of the House and Senate running errands. There are about 50 of them in the House.

At the page desk, Barrie Williams of Buffalo hazarded the opinion that "it sure would raise the morale of the page school" to have a girl around.

Miss Alden applied for a job in

## Long Holidays

The Associated Press

What does the New Year offer in holidays? It looks like good, long weekends for the coming year. Many holidays will be Mondays or Saturdays.

Some, like Memorial Day, May 30, are on Sunday, making Monday a holiday.

July 4 also is a Sunday, with Monday listed as a holiday. Labor Day, the first Monday in September, is Sept. 6 this year. Thanksgiving, as usual, is a Thursday—Nov. 25.

Christmas falls on Saturday; New Year's Day also Saturday.

Lincoln's birthday is Friday, Feb. 12, while Washington's birthday is Monday, Feb. 22. Sunday, Feb. 14, is St. Valentine's Day.

Columbus Day is Tuesday, Oct. 12. Nov. 11, Armistice Day, is a Thursday. Good Friday is April 16—Easter is two weeks later this year than last.

Halloween falls on Sunday, Oct. 31.

St. Swithun's Day is July 15, a Thursday. Legend has it that if it rains on this date it will continue for the next 40 days.

Mother's Day, the second Sunday in May, falls on May 9 this year. Sunday, June 20, is Father's Day.

Don't forget the birthdays of relatives and your wife's anniversaries. And your federal income tax is due March 15. That's a Monday.

## Friends To Build New Meeting House

LANCASTER, Pa. (AP)—The Society of Friends plans to construct a meeting house here.

The Lancaster Friends Society said yesterday preliminary details of the project are under discussion. The Lancaster group, revived six years ago, has been meeting in the Lancaster YWCA building.

Three Friends meeting houses presently exist in the county—at Christians, Eastland and Penn Hill. One was constructed here in 1773 and passed out of use about 1810.

## Littlestown Club Told Of Role Of Women In Public Life In Germany By Francis Lindaman

"Women in Public Life in Germany" was the theme of the talk given at the January meeting of the Woman's Community Club of Littlestown and Vicinity Wednesday evening in the P.O.S. of A. hall by Francis C. Lindaman. Mr. Lindaman spent eight and a half years in Germany, first with the Red Cross, then with the State Department and more recently with the United States High Commission for Germany.

The speaker told his audience that "the foremost thought of every German today is 'when will there be unity?' He described the spectacular recovery of Western Germany to four things: the Marshall Plan which was instrumental in "putting the spark back in the eyes of the people" and for reviving their desire to resume their industriousness; the steady influx of refugees at the rate of 10,000 per month, since 1945, from Eastern Germany "is a living, sobering proof that Communism has nothing to offer them and democracy has"; the influence of women, who comprise the majority of the population of fifty million in Western Germany and who acquired thirty seats in the lower house of parliament during the last election, and the influence of the Church and the "getting along together" of people of both the Catholic and Protestant faiths.

**Plan Used Clothing Drive** At the conclusion of his talk, Mr. Lindaman answered questions from the audience. The program on Wednesday evening also included a vocal solo by Dorothy Jones, accompanied on the piano by Jeanne Blocher, and a piano solo by Miss Blocher. The speaker, as well as the misses Jones and Blocher were introduced by Mrs. Leroy W. Bish, chairman of the program committee for the meeting.

**Centenary Methodist Church**, the Rev. Harvey B. Simons, pastor. Sunday, Sunday School, 9:30 a.m.; worship, 10:30 a.m. Monday, 6:30 p.m., meeting of the Junior Fellowship at the church with Shirley Hedges as junior leader, and the study "America—A Nation of One People of Many Countries" will begin. Wednesday, 7:30 p.m., monthly meeting of the official board and board of education at the parsonage, E. King St. Thursday, 7 p.m., choir rehearsal at the parsonage; 7:30 p.m., church membership class meeting at the parsonage.

**Southern Methodist Church**, R. R. Kunkle, pastor. Sunday, Sunday School, 9:45 a.m.; worship, 11 a.m.; evangelistic service, 8 p.m. at the church. Tuesday, 8 p.m., prayer meeting at the church.

of the program committee, announced that the next meeting on Wednesday, February 17, will be held at Zerfing's Hardware and Appliance Store, under the sponsorship of the Metropolitan Edison Company when there will be a demonstration by Mrs. Betty Wible, home economist. A survey was taken to estimate the number who would attend this meeting. Members who were not present will be contacted by the corresponding secretary, Mrs. Irvin Kindig, regarding their expected attendance at the February meeting.

Mrs. Charles Benner reported for the committee consisting of Mrs. Carl H. Baumgardner, Mrs. H. Dean Stover and herself, who were appointed to contact the school authorities concerning the possibility of having a public supper in the cafeteria for the benefit of the PTA new stage curtain fund. Mrs. Benner stated that the cafeteria would be available for use of the club should they decide to sponsor a supper. A decision was not made by the club, but the committee was requested to continue functioning and to find out how much is needed

Mrs. Luther W. Ritter, first vice president of the Woman's Club, conducted the business session, which opened with the flag salute, the singing of "America" with Mrs. Karl P. Bankert as piano accompanist and the reading of the club collect reports were heard from Mrs. Paul E. Alloff, secretary; Mrs. Joseph R. Riden, treasurer; Mrs. Edward T. Richardson, chairman of the cheer committee; Mrs. George Strevig, chairman of the Youth Conservation committee, who read a letter

of thanks from the Adams County Child Welfare Services for the gift purchased by the Club for one of the children for Christmas.

Mrs. John H. Flickinger reported for the Welfare Committee, that 11 baskets had been packed and distributed on behalf of the club at Christmas, with the meat and the eggs in the basket, amounting to \$16.03, being paid for by the local Lions Club and the remainder of the contents being contributed by the club members or purchased with the cash which they donated. Mrs. Flickinger also announced for the welfare chairman, Mrs. Stanley S. Horner, that a used clothing drive will be conducted during this month, for Korean relief. Members of the club are invited to take donations of good used clothing to the P.O.S.A. hall between now and the next meeting date, after which the clothing will be packed and taken to the receiving center at New Oxford.

Mrs. Chester S. Byers, chairman

to complete the project, and if it will be necessary to sponsor such a large affair by the club or if a lesser amount would be satisfactory.

Mrs. Robert H. Miller announced that the high school band uniforms had been recalled, cleaned and returned to the high school and on Friday afternoon at 1 o'clock the following committee would report to the high school assist with refitting the uniforms: Mrs. Stanley Horner, Mrs. Robert H. Miller, Mrs. J. Harvey Pettyjohn, Mrs. Leonard L. Polter, Mrs. Paul R. Snyder, Mrs. George Strevig, Mrs. Betty Hill, all of whom are members of the PTA and have connection with the band members.

The treasurer was authorized to pay the dues to the Adams County Home. Ten visitors at the meeting were presented. At the conclusion of the program, refreshments were served by the hostess committee.

The Littlestown Homemakers will meet on Monday evening at 7:30 o'clock at the home of Mrs. Willis Snyder, near town. The study topic will be "New Fabrics and Their Care."

## Women's Guild Of Christ Church Meets

Mrs. Orville C. Sentz, near town, was hostess to the Women's Guild of Christ Reformed Church for the monthly meeting on Wednesday evening. Mrs. Harry C. Wildasin, January leader, introduced the topic of discussion "The Life and Task of the Church around the World." Readings on the topic were given by Mrs. Clyde W. Sterner and Mrs. Stanley R. Sell. Mrs. LeRoy W. Berwager was pianist for the group singing. The devotional period was in charge of the leader, and included the Scripture reading by Mrs. Oliver M. Sentz and prayer from the prayer calendar, led by Mrs. Roy Sterner. A vocal duet "The Shepherd of Love" was sung by Mrs. Harold E. Shoemaker and Mrs. LeRoy W. Berwager, accompanied by Mrs. Berwager. The birthday of Mrs. Gerald W. Sterner was noted.

The Guild president, Mrs. Orville C. Sentz, conducted the business period. The group accepted the National Challenge as submitted by the Synodical Executive Committee, an increase of 18 per cent. It was decided to hold a used clothing drive in April. Mrs. Harry C. Wildasin, social service chairman, will be in charge of the drive. The annual reports for 1953 were presented by Mrs. Stanley R. Sell, treasurer of the Guild, and Mrs. Oliver M. Sentz, treasurer of the flower fund. The next meeting of the Guild will be held Wednesday, February 3, at the parsonage, E. King St.

Coin boxes have been distributed throughout the business section of the community in the stores and various places of business, for the convenience of those who wish to make their contributions this way. These boxes will be collected at the end of the month.

## Eagles' Auxiliary Plans Polio Benefit

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will co-sponsor a March of Dimes dance on Saturday, Jan. 30, and plans were furthered for the dance at the semi-monthly meeting of the Auxiliary on Wednesday evening at the Eagles Home, W. King St. Mrs. Clara Jacoby, president, presided. The group discussed qualifications for membership in the organization and it was decided that anyone aged 18 years or over will be eligible for membership in the Auxiliary. It was decided to contact the two people who are using the Auxiliary walkers and asked permission to take their pictures for publication in the monthly national issue "Mrs. Eagle." Plans were made to serve the federation banquet in May at the Aerie home.

The guess package, given by Mrs. Annabelle Ohler, was received by Mrs. Edna Olinger. Mary Welty's name was called for the jackpot but she was not present so the award will contain \$11 at the next meeting. Refreshments were served to the group by Mrs. Mabel Rittase, hostess for the evening. A tea towel shower will be held in connection with the next meeting on Wednesday, February 3, 8 p.m., when Mrs. Annabelle Ohler will serve as hostess.

## Young Men's Class Holds Ladies' Night

A ladies' night meeting was planned by the Young Men's Sunday School class of Redeemer's Reformed Church, at the January meeting of the class on Wednesday evening at the home of Dr. Richard M. Phreaner, Patrick Ave. The affair will be held Wednesday, February 24, at the Phreaner home. The committee on arrangements includes Lloyd R. Baker, Robert W. Hall and Atlee Rebert. The meeting opened with prayer by the pastor, the Rev. Frank E. Reynolds, Elmer W. M. Dutera, president, conducted the business session. The group discussed remodeling the class meeting room at the church, and various means of raising funds for the treasury. The business concluded with the Lord's Prayer repeated in unison. Refreshments were served by Clyde W. Crouse and Paul Hull, January hosts.

## CLUB WILL MEET

Mrs. Ralph Crumbacker, along the Harney Rd., was hostess to the Alloways Homemakers for their meeting on Monday afternoon. The next meeting of the Homemakers, on Monday, February 1, will be at the home of Mrs. Elmer Shildt, near town.

## CUBS TO REHEARSE

Members of the local Cub Scout orchestra will have rehearsal on Tuesday at 4:30 p.m. at the home of Mrs. Maurice C. Wareheim, Park Ave. The boys are asked to take their instruments along to school on Tuesday and when school is over they will be picked up there by Mrs. Edwin W. Elder Jr. and Mrs. Wilson Stair, denmothers, to be transported to the Wareheim home.

## DULLES FIRST AT BERLIN FOR PEACE TALKS

By TOM REEDY  
BERLIN (AP)—U.S. Secretary of State George Bidault and British Foreign Secretary Anthony Eden reached Germany today for a Big Four conference opening Monday. Communist secrecy cloaked the movements of Soviet Foreign Minister V. M. Molotov, but he was expected in East Berlin by train tomorrow.

The three Western ministers arranged a get-together to set up strategy for the meeting. A French foreign ministry spokesman said the three would hold a pre-conference talk tomorrow at French headquarters.

Dulles, who flew to this divided city in President Eisenhower's plane, Columbine, said in a prepared statement the Western powers "hope to unite Germany by giving the German people as a whole the right which our civilization treats as fundamental, including the right of a people by free elections to choose for themselves their own sovereign government."

**First To Arrive**

## CHIMNEY FIRE CALL

Volunteers of the Alpha Fire Company No. 1 responded to a call on Thursday at 5:40 p.m. at the home of Monroe Markle, Littlestown R. 2, four miles northeast of town. There was a chimney fire but no damage resulted. Two trucks were taken to the scene.

an American tank unit fired a 19-gun salute. Dulles was followed shortly by Bidault, who came in by train from Paris. Eden stopped off in Duesseldorf on his way to Berlin and told reporters at the airfield there "nobody can expect a full solution to the problem (of Germany) can be found in a matter of a few weeks."

Speaking to newsmen before his departure from London, Eden warned:

"A conference like this must take time. For my part as long as we are making any progress at all, I am ready to devote any time that may be necessary."

**Optimism From Germany**  
Dulles also had expressed caution about the parley's prospects when he left Washington. "If the Soviet leaders come to Berlin with a genuine desire to create conditions of peace," he told reporters, "they will find us open minded and cooperative..."

But he queried: "Will Germany and indeed all Europe be unified for peace? Or will divisions be imposed which will make Europe again the breeder of war?"

The most optimistic statement came from West German Chancellor Konrad Adenauer, sitting on the conference sidelines. He told the foreign affairs committee of the Bonn Parliament that there existed a real chance for the unification of East and West Germany in the Berlin talks.

This was an about face from the previous view in the West German capital, where most German officials have felt that nobody really wanted the parley and it was therefore doomed to failure.

# Wail, Clank, Snore Replace Cloppity-clop-clop Of Horse

By HAL BOYLE  
NEW YORK (AP)—Manhattan has its own morning sounds that set it apart, just as a small town does . . . or a farm in the country, where alarm clocks wear feathers and boss a barnyard.

But the dawn sounds here are more mixed in mood . . . the wail of a fire or police siren, stirring a fear-thrill in the city heart . . . the clank of a garbage can against a sanitation truck . . . the wall-vibrating snore of the man next door . . . and a cheery sound we miss the most, now that it is gone, the "cloppity-clop-clop" of the 6 o'clock horse.

Let me tell you about that horse, and what he came to mean in a big tenement city, and I'm sorry I can't give you his real name, because I don't know it.

**Sets Clock By Horse**  
One summer morning several years ago, shortly after we had moved into an apartment in a big 15-story brick hut by the East River, I woke to see my wife standing by the window with an alarm clock in her hand.

"Who are you going to drop that clock on?" I asked. "Don't you know it's against the law to bean anybody from a high window in New York?"

"Don't always talk so silly, Rover," said Frances. "I'm waiting to set this clock. It stopped during the night."

"What are you going to set it by—the morning star?"  
"No," she said. "I'm going to set it by the 6 o'clock horse."  
"What in the world is that?"  
"Come and see."

**Elderly Horse, Man, Wagon**  
I yawned my way to the window. A few moments later there sounded a distant "cloppity-clop-clop."

It grew louder. Then around the corner came a small elderly horse, driven by a small elderly man sitting atop a small elderly ice wagon shaded by a faded small elderly beach umbrella.

As the little dark sorrel animal and the creaking vehicle passed beneath our window, Frances set the clock and said:

"That's the 6 o'clock horse. Haven't you heard him before? He's never more than a minute or two off any morning."

"He is just as punctual going back in the evenings," said Frances. "He comes by at exactly 5:30. I wish I had married a man as punctual as that little horse."

**Misses Early Vigil**  
One night I made plans to get up early the next morning and take down some carrots and sugar lumps for the 6 o'clock horse. But

I overslept, and awoke to hear his hoofbeats already fading away, and somehow after that I never managed to translate my good intention into a deed.

The other morning I awakened early and lazily watched the clock's hand crawl past 6 o'clock. No "cloppity-clop-clop." At 6:15 I got p and went to the window and looked down. The street was bare in the cold dawn. No horse. I turned and saw Frances looking at me.

"I wondered when you'd miss him," she said. "He hasn't been by for weeks."

"What happened?"  
**All Were So Old**  
"Nobody in the neighborhood knows," said Frances. "They all three were so old and looked so worn. Maybe the wagon just fell to pieces . . . or the old man died . . . or the little horse fell down and couldn't get up."

A brightness left the morning and every morning since then. There was such a braveness about that steady "cloppity-clop-clop" . . . it was like losing something you never owned but felt in your heart belonged to you, a feeling you often have about small things that give a stability to your life in a big city.

This is my carrot . . . these my lumps of sugar . . . to the 6 o'clock horse . . . given, as many things in this world are, too late . . . and I think of this as I lie in my bed in the morning, listening for a "cloppity-clop-clop" . . . and hearing only the wail of a siren, the clank of a garbage can, the snore of the man next door.

## Most Town Lockups Get State Approval

HARRISBURG (AP)—Pennsylvania's 412 city, borough and township jails were described today by the Pennsylvania Bureau of Penal Affairs as "second to none in the nation in physical condition and supervision."

"We have just completed our annual inspection of city, borough and township lockups and they rate with the best in the nation from all standpoints," said Fred W. Brady, bureau director.

Of all the lockups inspected by the bureau last year Brady said only eight were given poor ratings. Two were rated excellent, 387 reported in good condition and 15 listed as fair.

"Worn out and inadequate sanitation facilities were prime reasons for ratings some of the jails below the good classifications," Brady pointed out.

### MORE FOG IN JERSEY

NEWARK, N. J. (AP)—Two crack-ups on the northern section of the New Jersey Turnpike closed a section of the superhighway for an hour today as New Jersey traffic groped through dense fog for a second day.

State police said the accidents took place between the Newark Airport and Raymond Boulevard interchanges of the turnpike. Three persons were reported injured, including one state trooper.

## Here And There News Collected At Random

(Continued from Page 1)  
From Denver, Colo., comes this appeal:

"Dear Editor, My room at school is studying newspapers, and have started our own newspaper. One day we decided to get an exhibit on newspapers from interesting cities. We would like very much to have a copy of your newspaper. If there is any cost for mailing please notify before sending."

The little fellow who typed off this letter forgot to give us his address, so we packed off a bundle of our regular and special editions and addressed them, with a letter, to the superintendent of schools with the request that he deliver them to David Kerr, the author of the letter. Do you think he will?

\*\*\*  
The struggle for U. S. children's minds has broken out in community after community across the nation, according to a report in the current Collier's.

How much bunk and nonsense have crept into the American educational system? How effective are public schools at their basic job—teaching? "Millions of parents would like to know the answer and from coast to coast a good many are trying to find out," says Howard Whitman in his Collier's article. "Subtly, unnoticed by most Americans, highly organized left-wing and right-wing extremist groups are exerting unprecedented pressures on public schools in a struggle to capture the minds of future citizens of the United States," Collier's discloses.

\*\*\*  
Reporting on his nationwide study of the controversy, Whitman says, "I have seen innocent people castigated, ostracized in their communities simply because they insisted that their children learn more in school."

He cites two examples—one in St. Paul and the other in a Minneapolis suburb—where parents received abuse for opposing the elimination of the traditional A, B, C, D grading system report cards.

"What disturbed parents most in numerous communities I visited was not extreme right-wing and left-wing hysteria, but this fundamental fact: children were sent to school to learn and many of them weren't learning as much or as fast as they should," Whitman asserts.

\*\*\*  
In Washington, D. C., Mrs. Muriel Alexander, principal of Kelly Miller Junior High, told the Collier's writer:

"We have one hundred children in this school who can't read and write. Imagine—in junior high school!"

Other principals and teachers complained that today's schools teach only sight reading and neglect phonetics so that children stumble over new words and spell badly.

**HIS MASTER'S CALL**—A partridge, befriended by Robert A. Haskins of Savoy, Mass., perches atop his cap as it responds to Haskins' call in the woods high in the Berkshires.

## East Berlin

EAST BERLIN—John Hollinger Myers has been renamed an auditor by the board of directors for the York bank where he has been employed for many years.

Mr. and Mrs. Ervin J. Baker were in York recently to take part in the open house and dinner party for her parents, Mr. and Mrs. Edward S. Ness, who marked their 50th wedding anniversary early this month.

Mr. and Mrs. Chauncey Strickler have sold their lot south of town to Mr. and Mrs. John Miller whose property adjoins.

Boys of Paradise School will be entertained later this month by Hanover men of the Knights of Columbus who will give them a preview of their minstrel show.

Curtis Resser, York, a native of this place, is reported doing nicely at home after a major operation at University Hospital, Baltimore.

Mr. and Mrs. Harry Bushey, Pleasantville, earlier residents of this area, marked their 50th wedding anniversary recently at the Pleasantville home of their daughter, Mrs. James Amstine, who entertained a large party.

Another wedding anniversary recently marked by a dinner party was the 25th for Mr. and Mrs. Melvin Eyster, near Holtzschwamm.

A daughter was born January 14 to Mr. and Mrs. Francis Anthony, York, at the York Hospital. The father is the youngest son of Mrs. Geneva Rutter Anthony, York, formerly of Abbottstown.

Mrs. B. W. Altland, near Holtzschwamm, has been named to the kitchen committee of the Ladies Auxiliary of the Thomasville Fire Co.

## CREOLE DISH, JAMBALAYA, IS BUFFET TREAT

By CECILY BROWNSTONE  
Associated Press Food Editor  
HERE COMES NEW ORLEANS!

Yes, we're been cooking that wonderful Creole dish—Shrimp Jambalaya. We've been streamlining it a bit, too so you can make it successfully for your next buffet supper.

One accompaniment to this Jambalaya we always like — a green salad. Use romaine or water cress and cucumbers, if they are available, for the salad; otherwise make do with what you can get. Just be sure your greens are chilled and crisp, and that the salad has plenty of French dressing on it. This Jambalaya is not a saucy dish—it cooks dry—and you need a salad dressed in dressing to go with it.

This recipe will make hearty servings for eight. But if you should not have that many, don't worry. Put the leftovers in a covered cas-

serole in the refrigerator. Next day, stir in a little curry powder, dot with butter or margarine, and heat uncovered in a very hot oven. When we tried this, our taste-testers gave us compliments aplenty!

**Shrimp Jambalaya**  
Ingredients: 2 pounds shrimp, 2 tablespoons salad oil, 1½ cups diced smoked lean raw ham (sliced thin), ¼ cup butter or margarine, 1 green pepper (chopped), 2 medium-sized onions (chopped), 1 clove garlic (minced), 1 bay leaf (crumbled), 2 cups uncooked court bouillon (to start with), one No. 2½ can tomatoes, salt and pepper and cayenne (to taste), onion rings.

**Method:** Cook shrimp in court bouillon. Shell and devein. Heat oil in 12-inch skillet. Add ham and brown. Remove ham from skillet; set aside. Add butter to remaining oil in pan. Add green pepper, onion, garlic and bay leaf; cook until onion is partly tender and lightly browned. Add rice; cook and stir constantly until browned. Stir in 1 cup court bouillon; tomatoes and reserved ham. Cover skillet and simmer, stirring with fork occasionally, about 30 minutes or until rice is cooked. Add salt, pepper and cayenne. If mixture becomes too

## Tin Cans Answer Native Phone Need

KUALA LUMPUR, Malaya (AP)—A tin can telephone system is providing communications for Malay villages in five areas in Kelantan state, north Malaya.

The Telecommunications Department in Malaya disclosed existence of these phones in a warning issued to the villagers to have them dismantled as wires from their phone networks were interfering with regular government lines whenever they fell across them.

The Department said in a state-

ment it "applauds the initiative of the people" and promised to fix up a field telephone system for them.

The tin can phone system consists of two cans. One end of each can is cut out and through the other end a hole is made. The ends of a length of wire, linking two villages, are attached to the cans through the holes. The open end of the can is the mouthpiece as well as the earpiece of the phone. As one speaker talks into the open end, the listener at the other end has the open end to his ear.

Major Sammy Lee, double Olympic high diving winner in the 1948 and 1952 Olympics, is a three-time national A. U. champion.

## Cop Picks Wrong Day To Honor 25th Anniv.

HAMDEN, Conn. (AP)—Police Lt. Lawrence Melillo, desk officer at Hamden police headquarters, decided to celebrate his 25th anniversary on the force by doing a tour of duty on his old squad car beat.

In no time at all he was involved in an 85-miles-an-hour chase of a speeder. While the man was being questioned another car sped past the scene, and crashed into a wire service pole a block away. After only half an hour in the cruiser, Melillo said he guessed he'd "stay inside" henceforth.
